

Mohamed Ramadan Fahmey Farghali

Assistant lecturer of Animal and Poultry Hygiene.

Faculty of Veterinary Medicine, Assiut University, Egypt.

mohamed.fahmey@vet.au.edu.eg

m_ramadan016@yahoo.com

+201061271527

Place and date of birth: Sohag / Egypt, 1. January, 1987.

Marital status: Married.

Education:

-Bachelor of Veterinary Science (B.V.Sc.); Faculty of Veterinary Medicine, Assiut University, Approved June, 2009.

-Master Degree of Veterinary Science (M.V.Sc.); Titled: **Effect of Silver Nanoparticles on Bacterial Contaminants of Different Water Sources**, Faculty of Veterinary Medicine, Assiut University, Approved December, 2014

Experiences:-

-I have an experience in:

-Teaching Animal hygiene practical courses at the Department of Animal hygiene, Faculty of Veterinary Medicine, Assiut University, Egypt.

- Poultry production, Environment& Aquatic microbiology and Chemical pollutants
- **preparation and characterization of silver nanoparticles.**

Professional Occupation

- Demonstrator of Animal and Poultry Hygiene., Animal hygiene department, Faculty of Veterinary Medicine, Assiut University, Egypt. (April 2010).

- *Assistant Lecturer of Animal and Poultry Hygiene*, Animal hygiene and Zoonoses department, Faculty of Veterinary Medicine, Assiut University, Egypt (January, 2015)

Languages

English: Very good in English

Arabic: Mother language

Personal character:

- Active and hard worker

- Responsible

- Have the ability to work under stress

-Ambitious - Very patient

-Love working in a teams

Special skills in computer

Windows, Microsoft word, Excel, Power point, access, internet.

Training

- 1- How to compete for a research fund. Faculty and Leadership Development Center (FLDC)- Assiut university 22-24 October, 2011.
- 2- International publishing of research. Faculty and Leadership Development Center (FLDC)- Assiut University 19-21 November, 2011.
- 3- E- Learning, Faculty and Leadership Development Center (FLDC)-Assiut University 18-20 June, 2011. -
- 4- Time and Conference Management. Faculty and Leadership Development Center (FLDC)- Assiut University, 25-27 June, 2011.

Others

- Participate at The 6th international conference for Development and Environmental in the Arab world
- A member of Egyptian society of cattle diseases.
- Participate in Materials science and Nanotechnology workshop that held at faculty of Science, Assiut University, in 31-3-2012.
- Organized member at the 16th Veterinary Medicine Conference, 30 Nov- 2Dec. 2014

Published research:-

- 1- Reem Dosoky, Saber Kotb and **Mohamed Farghali** “Bactericidal efficiency of Silver nanoparticle against water contaminants isolated from fish farms water with special reference of some physicochemical parameter of water” Journal of American Science 2015;11(4) 68-76
- 2- Reem Dosoky, Saber Kotb and **Mohamed Farghali** “Efficiency of silver nanoparticles against bacterial contaminants isolated from surface and ground water in Egypt” J Adv Vet Anim Res. 2015; 2(2)
