Nursing Practices & Era Challenges

Welcome Message

We are delighted for inviting our colleagues to participate in the 1st International Scientific conference that will be held on 30/1/2017 at Faculty of Nursing, Assiut University, Asyut Governorate, Egypt

The conference will be an excellent occasion to engage with all of you as practitioners, researchers and educators from around the country. We are honored to share us as speakers, posters presenters and attendants for prompt arrangements of the scientific and organizing committees

Prof. Dr. Leinab Abd Elateef

Conference Objectives

- Identify new challenges facing nursing practice and education.
- Debate gaps and priorities for sustainable development in health and community care.
- Discuss and debate the challenges and opportunities in the new era of health and community care.

Conference Axes

- Find the best solutions from people shared these challenges.
 - Improving quality of nursing practice.
 - Adopting & accepting technological innovation in nursing education & practice.
 - Facing challenges in nursing practice, education & research.
 - Continuous training for nurses dealing with challenges.
-
