تكنولوجيا الإنتاج

Mahmoud Heshmat, PhD in Industrial Engineering and Systems Management, 2018

Associate Professor, Department of Mechanical Design and Production Engineering

General Supervisor of the Engineering Workshops

Head of the Department of Environment and Pollution Treatment, Faculty of Sugar and

Integrated Industries Technology,

Assiut University

Course Bylaw

Hours/Week		
Lecture	Exercise & Lab	Total
2	2	4

[Lectures Link](#)

Course Layout

Lecture Number	Title	Remarks
1	Engineering Materials and Properties	
2	Metal Casting Sand Casting	
3	Centrifugal Casting Die Casting Lost-wax Casting	
4	Metal Forming Hand Forging Rolling	
5	Extrusion Deep Drawing Spinning	
6	Welding Processes	
7	Machining Processes	
8	Turning	Midterm Exam
9	Milling	
10	Engineering Metrology	
11	Workshop Planning	

Evaluation Criteria

Total (125) = Final Written Exam (75) + Semester Work (30) + Oral & Practical Exam (20)

- Be on time**
- Feel confident**
- Focus on the issues**

Please
