

Curriculum Vitae

Dr. Eng. Abdel Moneim M. Nassib

Name: Abdel Moneim Mahmoud Abdel Aziz Nassib
Date of Birth: 17th, August 1945
Status: Married – No. of sons 2
Address: Mechanical Engineering Department,
Faculty of Engineering,
Assiut University,
71516 Assiut, Egypt.
Tel. 088/2411218 office
Fax. 088/2332553 office
Mobile 0105684482 Tel.
088/2310402 home
03/5901681 home
E-mail: amnassib@yahoo.com

Position: Associate Professor.

Qualifications:

- "Ph. D. degree " in Mechanical Engineering, Technical University of Brno, Czechoslovakia, 1982.
- " M.Sc. in Mechanical Engineering, Assiut University, Egypt, 1976.
- " B.Sc. in Mechanical Engineering, University of Alexandria, Egypt, 1967.

Working Experience:

- 1- Teaching undergraduate and graduate courses in Faculty of Engineering, and in Sugar Technology Research Institute, Assiut University and in Aswan Institute of Energy.
- 2- Tech. Training Courses for Engineers and Technicians in Factories (Aluminum Company of Egypt, Sugar Integrated Company, Cement Factory and Assiut Fertilizer Factory)

Research Experience:

- 1- Publications in Fluid Mechanics, Two-Phase Flow, Combustion, and Environmental engineering.
- 2- Member of Research Team of the Project "Measurements of Air Pollution in Qus and Kom-Ombo Sugar Factories"

- 3- Member of Research Team of the Project "Measurements of the Total Suspended Particulate in Cement Factory"
- 4- Member of the Engineering Studies and Consultations Center, Faculty of Engineering, Assiut University, Egypt.
- 5- Member of Research Team of the Project "Analysis of Energy Consumption Patterns and Environmental Indicators for the Residential Sector of Assiut City"
- 6- Member of Research Team of the Project "Analysis of Energy Consumption Patterns and Environmental Indicators for the Commercial Sector of Assiut City"

Technical Training and Conferences:

- 1- Training on Gas Chromatography Equipment – Perkin Elmer – Cairo, 1987.
- 2- Training on measuring equipment of an air pollution measurements mobile unit, EduSystems Company, 1989, USA.
- 3- Attend Scientific Conferences and Symposiums for presenting Papers and Lectures.

Dr. Eng. Abdel Moneim M. NASSIB
