

# Wagdy Mahrous Saied Farag

Demonstrator, Faculty of Engineering, Assiut University.

I am a highly skilled individual with a strong passion for leveraging my education and work experience. I'm looking forward to finding the place that deserves me to add skills and experience to the place.

## Personal Information

**Date of birth:** May 21, 1995

**Marital Status:** Married

**Present Position:** Demonstrator, Civil Engineering Dept., Faculty of Engineering, Assiut University.

**Work Address:** Civil Engineering Dept., Faculty of Engineering, Assiut University.

**Home Address:** Assiut Governorate. Egypt

## Computer Skills

- Erdas Imagine Software
- Microsoft Office (Word, Excel, PowerPoint,....etc.), ``ICDL``
- Autocad any version
- Structural Analysis Program 2000 (SAP 2000)
- Mathworks Matlab Software
- Surfer Golden Software

## Language

- Arabic
- English

## Degrees Held

### M.Sc.

Thesis Title ``Flow behavior over well-escape weirs``

Civil Engineering, Assiut University.

I'm about to obtain a Master's degree, but I haven't finished it yet as I'm currently working on it and nearing completion.

### B.Sc.

Civil Engineering Dept., Faculty of Engineering, Assiut University(2018). The distinction with honor ``87.2%`` (the second student) and Distinction in my graduate project (Design of Special Building).

## Papers

Numerical Simulation over Tail escape-weir (Published at International Conference on Civil Engineering 2023). Assiut University, Faculty of Engineering

Flow behavior over well escape weirs (Published at International Journal called water science).

## Training and Teaching Experiences

- **Hydraulics and water structures**
- **Irrigation**
- **Hydrology**
- **Properties of materials**
- **Design of reinforced concrete tanks and prestressed concrete**
- **Learn Autocad and Sap 2000 Softwares for civil engineering students**

## Contact Me

**Assiut Governorate.Egypt**

**002-01202240489**

**002-01554827182**

**wagdimshrous@gmail.com**

**wagdimahrous@aun.edu.eg**

## Work experience as a civil engineer

- **Designed many buildings with different statical systems in several locations in governorate of Egypt.**
- **I have a very good practical experience in performing different types of structures.**
- **I taught the session of AutoCAD, SAP 2000, and many civil engineering programs in Technology Education Centers.**
