Dear Colleagues and Friends,

It is a great pleasure and honor to extend you a warm invitation to attend the 8th Annual International Conference of Clinical Oncology Department, Assuit University, to be held February 21-24, 2017 at Assuit University & Maritime Julie Ville, Luxor.

The main focus of the joint with European Society for Radiation Oncology (ESTRO), Arab Medical Association Against Cancer (AMAAC), Egyptian Cancer Society (ECS), Kasr Aini School of Oncology (KASO), Egyptian Hematology Oncology Group (EHOG) and Egyptian Society for Liver Cancer (ESLC) is to improve the oncology field, acceleration of cutting edge discovery at clinical level and further promote international scientific cooperation, debate and exchange.

Through a series of plenary sessions, workshops and breakout sessions, Trends cancer management will provide a rigorous review of novel therapies agent and combination strategies as well as report and the very latest finding in basic and clinical research.

Lastly, but by no means least, our host city Luxor known for its beautiful architectures with wealth of monuments and an abundance of cultural attraction for joining the conference.

We welcome you to an inspiring, Educational and enjoyable program.

With best wishes.
