

## Dr. Michael Nazmy Albany

### Title:

- Professor of Medical Microbiology & Immunology

### Affiliations:

1. Medical Microbiology & Immunology Department, Faculty of Medicine, Assiut University
2. Head of department of Molecular Biology Department, Molecular Biology Research & Studies Institute, Assiut University

### Research interest

- **Microbiology studies. Bacteriology, Mycology and Virology.**
- Infection control studies and applications.
- Antimicrobial drug studies and mechanism of resistance.
- Application of molecular diagnostic techniques.
- Application of immunotechniques.

### Email

- agbanmichael@aun.edu.eg
