

Practical Training Rounds for the Doctor of Pharmacy Degree (Second Year)

- The student must pass all courses in the first year before getting the practical training in the following year.
- At the end of each training round, the student gives a presentation of clinical case in presence of the academic supervisors.
- The student is evaluated during the second year of practical training through research assignments, short exams and presentation of cases of patients during the training, and the student must obtain at least 60% of the grade in this evaluation {he must pass all practical exercises successfully}.

Obligatory Training Rounds							
Code	تخصص التدريب	Credit Hours	Exam Time	Grades			
				Written	Practical	Oral	Total
PDT-101	Oncology	2	2	-	-	100	100
PDT-102	Pediatrics	2	2	-	-	100	100
