

(1)

Application of expert systems in electrical power systems.

1. M K El-Sherbiny, H A Dorra and H A Aboulenien

Abstract:

NULL

Keywords:

NULL

Published In:

Proc. of Second Middle East Power System Conference MEPCON, pp 473-476 , NULL , NULL

(2)

Application of expert systems in gas distribution network.

2. H A Dorra, M K El-Sherbiny and H A Aboulenien

Abstract:

NULL

Keywords:

NULL

Published In:

Proc. of Second International Association of Science and Technology for Development Conference IASTED, pp 249-253 ,
NULL , NULL

(3)
A Simple interface agent.

3. H A Aboulenien and P De Wilde

Abstract:

NULL

Keywords:

NULL

Published In:

Proc. of Fourth International Conference on Computer Science and Informatics JCIS, Vol 3, pp 190-192 , NULL , NULL

(4)

Neural Network Learning in a Travel Reservation Domain.

4. H.A. Aboulenien and P.De Wilde.

Abstract:

NULL

Keywords:

NULL

Published In:

In L. Jain and A.M. Fanelli, editors, Recent Advances in Artificial Neural Networks: Design and Applications, 213-228, CRC Press , NULL , NULL

(5)

Key-linked block ciphers with input-output shuffling applied to remotely keyed encryption.

5. Y. M. Hassan and H.A. Aboulenien

Abstract:

NULL

Keywords:

NULL

Published In:

Proc. of 3rd International Conference on Communication Systems Software and Middleware and Workshops, COMSWARE, pp 254-259 , NULL , NULL
