

Electron Microscope Unit
Assiut University, Egypt

Fees for preparing, examining and photographing biological and non-biological samples in electron microscope unit, Assiut University, Egypt

Type of sample	Fee (LE) For Egyptians	Fee (LE) For non- Egyptians
TEM	400	600
SEM	400	600
TEM&SEM for metals, nanoparticles and viruses	450	500
Examine the sample prepared outside the unit	100	100
Cutting extra semithin block	50	50
Cutting extra ultrathin block	100	100
Cutting semithin block prepared outside the unit	100	100
Cutting ultrathin block prepared outside the unit without examination	150	150
Cutting semithin and ultrathin block prepared outside the unit with examination	250	250
Digital photo in TEM	25	30
Digital photo in SEM	25	30
Analysis	300	350
Digital photo in Light Microscope	10	10
