Beneficiaries of 91 workshops and seminars

4.3.1

# EDUCATIONAL TRAINING COURSES FOR STUDENTS, GRADUATES, FACULTY MEMBERS AND INTERNATIONAL STUDENTS

The University organised a series of educational training courses for university students, graduates, faculty members, and international students, including individuals with disabilities who are capable of learning, as follows:

## ICDL AND DIGITAL TRANSFORMATION (IC3)

The University's centres conducted International Computer Driving License (ICDL) courses and the Digital Transformation program (IC3) for 4,133 trainees across 83 courses. The University held 14,155 exams for accredited certificates and awarded 3,542 certificates.

**4,133**
Trainees in 83 courses

**14,155**
Certification exams

**3,542**
Certificates awarded

### SPSS statistical analysis

84 courses for 1,118 trainees across the University's centres.

### English language courses

197 courses for 8,914 trainees, plus 5,243 placement tests for all categories.

## LANGUAGE CENTRES

### French Language Center

**995**
trainees · 49 groups
Levels one to four, and phonetics

### German Language Center

**195**
trainees · 15 courses
Levels one to three, and translation

### Russian Center

**320**
trainees · 10 groups
Various levels of Russian

### Arabic Language Center

**350**
trainees · 23 courses
Various linguistic skills

4.3.1

# TRAINING AT FACULTY CENTRES

### Center for Engineering Education Development, Faculty of Engineering

**20** courses **351** trainees

Courses including AutoCAD, Civil 3D, MOS 50, IC3, and Principles.

### Computer Consulting Center, Faculty of Computers and Information

**15** courses **143** trainees

Courses on apparitor, C++, Scratch, and IC3.

### Adult Education Center, Faculty of Education

**9** courses **108** trainees

Literacy and adult education, methods and techniques for rehabilitating adults with learning disabilities, and the use of technology in teaching adults, among others.

### Cardiopulmonary Resuscitation Center, Faculty of Medicine

**27** courses **87** trainees

Basic cardiopulmonary resuscitation courses.

### Training and Continuing Education Center, Faculty of Nursing

**127** courses **1,992** trainees

Health services, analysis laboratories, and effective communication skills, among others.

## OUTREACH TO SCHOOLS AND OTHER UNIVERSITIES

- **258 students** from the Assiut STEM High School for Sciences and Technology attended lectures, educational workshops, and project evaluations at the Faculty of Engineering and the Faculty of Computers and Information, run by faculty members of those faculties.
- Faculty members from the Faculties of Engineering and Computers and Information take part in judging graduation projects at Sphinx University, the German College of Technology, and New Assiut University.
- The University receives and trains **1,200 students** from New Assiut University at Assiut University Hospitals, with faculty members, assistant staff, and nursing personnel taking part.

# COURSES FOR GRADUATES, MASTER'S AND PH.D. STUDENTS, FACULTY MEMBERS AND INTERNATIONAL STUDENTS

Educational training courses conducted by the University for graduates, Master's and Ph.D. students, faculty members, and international students, including individuals with disabilities:

### Desert Cultivation Center (Agriculture)

**8** courses **180** trainees

Planning, installation, and operation of irrigation systems.

### Dairy Products Unit (Agriculture)

**14** courses **442** trainees

Dairy processing skills.

### Career Development Center

**23** courses **380** trainees

Employability skills, marketing and human resources, project management, occupational safety, and others.

### Institute of Biological Research

**19** courses **378** trainees

Air pollution, infection control, health safety, anti-addiction awareness, proper nutrition, DNA techniques and analysis, cell and tissue culture, preparing scientific research, and plant tissue culture.

### Psychological Counseling Center (Education)

**43** courses **315** trainees

Teaching mathematics and science in English, effective teaching skills, and Arabic for non-native speakers.

### Public Service Center (Early Childhood)

**35** courses **224** trainees

Montessori, speech therapy at various levels, the enhanced early childhood curriculum, and other courses.

### Center for Legal Studies (Law)

**32** courses **567** trainees

Preparing legal advisors, training lawyers, practical legal drafting, drafting contracts in English, statements of claim, and others.

### Commercial Laboratory (Commerce)

**76** courses **752** trainees

IC3, MOS, programming, and Python.

4.3.2

# COURSES FOR GRADUATES AND POSTGRADUATES (CONTINUED)

### Measurement and Evaluation Center

**102** courses **2,034** trainees

Electronic grading, scientific content analysis, specification tables, foundations, methods and ethics of evaluation, test item preparation, and other courses.

### University Center for the Development of University Education

**53** courses **6,310** trainees

University qualification and accreditation, credit hours, e-learning, systems management, and others.

### Community Service and Environmental Development Training Center (Medicine)

**39** courses **552** trainees

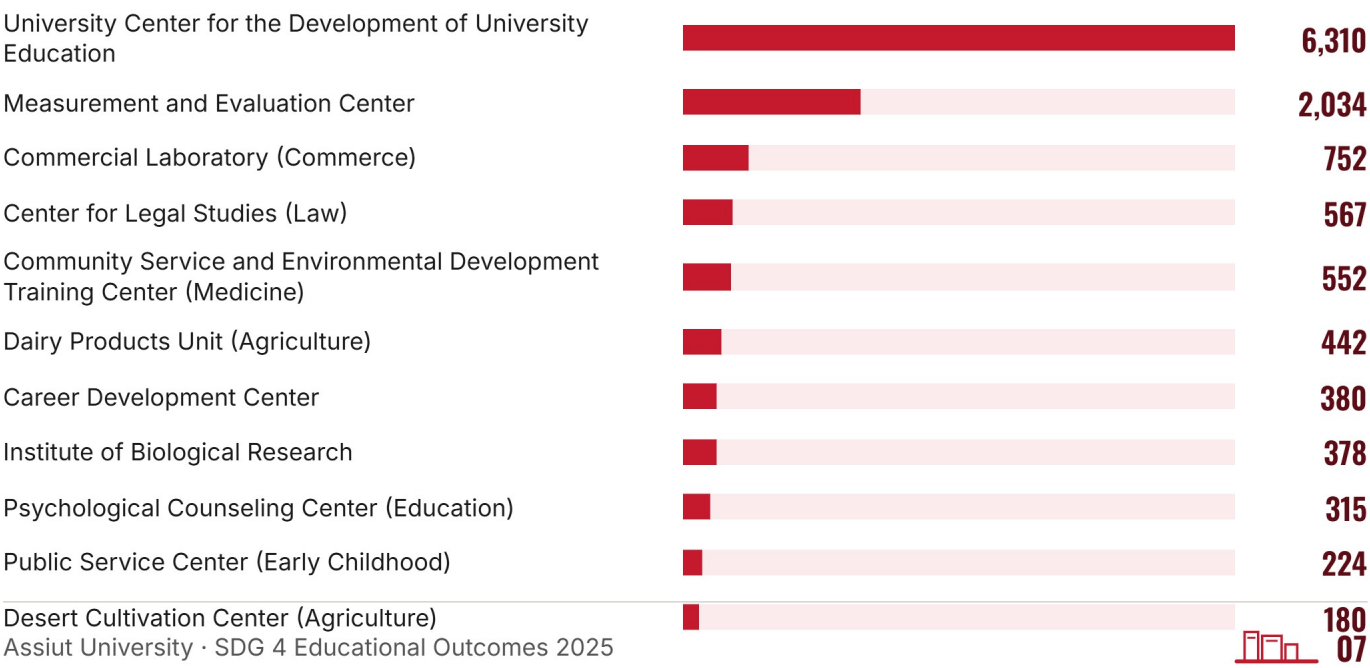

First aid, assistant technical roles, and infection control.

**12,134**
Trainees across these 11 centres and units

## TRAINEES BY CENTRE OR UNIT

Total 12,134

4.3.2

# COURSES FOR FACULTY MEMBERS AND THEIR ASSISTANTS

*Including individuals with disabilities*

### Adult Education Center (Education)

**7** courses **105** trainees

Strategies and skills of excellence and influence, challenges for leaders in adult education management, preparing certified adult education trainers, and designing educational packages for adult education.

### Faculty and Leadership Development Center

**237** courses **9,041** trainees

Research ethics, academic leadership programs, analytical and creative thinking, digital transformation, effective communication skills, and other academic courses.

### Technological Services Unit (Education)

**11** courses **193** trainees

Searching the Knowledge Bank, creating electronic exams, using the Microsoft Teams platform, and others.

### Teacher preparation courses for teaching assistants (Education)

**7** courses **223** trainees

Teacher preparation for teaching assistants.

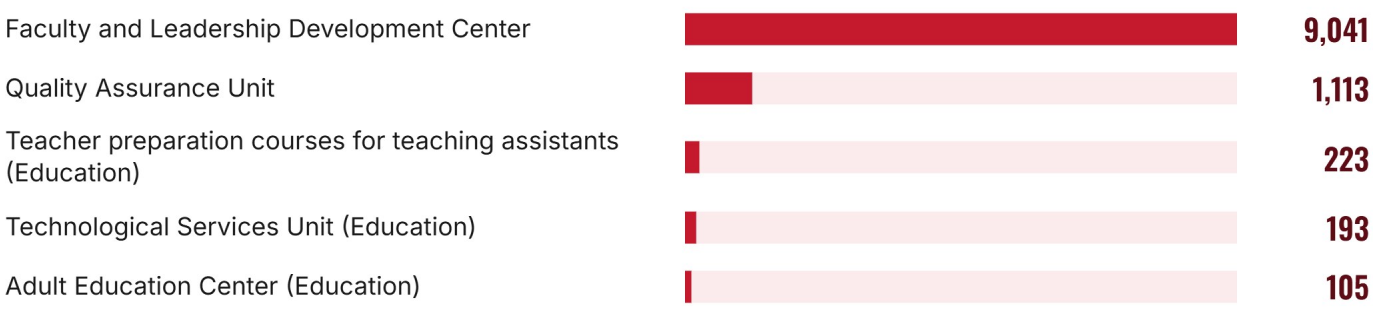

### Quality Assurance Unit

**187** courses **1,113** trainees

Course content analysis, measuring the achievement of learning outcomes, course specifications, and other courses.

**10,675**
**Faculty members and assistants trained**

**449**
**Courses**

4.3.2

# COURSES FOR UNIVERSITY EMPLOYEES

### Scientific Theses Service Center

**15** courses **240** trainees

Courses on the linguistic phrasing of scientific theses for employees of the theses service centres across the faculties.

### Central Library Administration

**42** courses **342** trainees

Workshops and training sessions on building a professional CV, communication basics and presentation skills, effective communication with individuals with disabilities, Arabic calligraphy, and others.

**582**
Employees trained

**57**
Courses, workshops and sessions

4.3.2

# COURSES FOR INDIVIDUALS WITH DISABILITIES

The Center for the Care of Students with Disabilities organised training courses for university students and graduates with disabilities, covering:

**857**
Trainees with disabilities

**43**
Training courses

- Digital transformation programs for the blind
- Orientation and mobility programs for the blind
- Sign language
- Life skills development programs
- English language programs at various levels
- Photoshop programs
- Digital transformation and ICDL programs
- Graphic design programs
- Other training

4.3.3

# PROFESSIONAL DIPLOMA PROGRAMS

The University includes 20 academic faculties and institutes, offering a total of 308 professional diploma programs across various specialisations. The Faculty of Medicine offers the most programs (64), while the Faculty of Education has the highest student density (5,614).

| FACULTY OR INSTITUTE | PROGRAMS | STUDENTS |
|---|---|---|
| Faculty of Science | 10 | 664 |
| Faculty of Engineering | 5 | 112 |
| Faculty of Agriculture | 14 | 173 |
| Faculty of Medicine | 64 | 699 |
| Faculty of Pharmacy | 14 | 363 |
| Faculty of Veterinary Medicine | 41 | 207 |
| Faculty of Commerce | 13 | 120 |
| Faculty of Education | 37 | 5,614 |
| Faculty of Law | 9 | 4,455 |
| Faculty of Sports Science | 10 | 296 |
| Faculty of Nursing | 8 | 203 |
| Faculty of Computers and Information | 7 | 232 |
| Faculty of Arts | 16 | 243 |
| Faculty of Social Work | 13 | 125 |
| Faculty of Specific Education | 18 | 233 |
| Faculty of Early Childhood | 1 | 323 |
| Faculty of Sugar Industry Technology | 7 | 60 |
| Faculty of Fine Arts | 5 | 25 |
| South Egypt Oncology Institute | 13 | 325 |
| Institute of Molecular Biology Studies and Research | 3 | 73 |

## STUDENTS BY FACULTY OR INSTITUTE

Total 14,545

Programs per faculty are listed in the table on the previous page.

4.3.4

# EDUCATIONAL AND COMMUNITY CONVOYS

The University organised educational, veterinary, and medical convoys, alongside workshops and seminars, for the wider community:

### Artistic educational convoys

**19** held **673** beneficiaries

Food benefits, macramé art as a small business, recycling, wood carving, basics of musical rhythm, clothing accessories, basic drawing for children, and others.

### Veterinary convoys

**4** held **303** beneficiaries

Treatment and immunisation, animal health and production, livestock wealth, and rapid diagnosis of animal diseases.

### Dental medical convoys (Faculty of Dentistry)

**3** held **75** beneficiaries

Gum and dental disease awareness.

### General medical convoys

**14** held **344** beneficiaries

Comprehensive medical convoys, examination and treatment, integrated health support, medical examination and laboratory analyses, healthy living, drug awareness, and others.

### Workshops and educational seminars

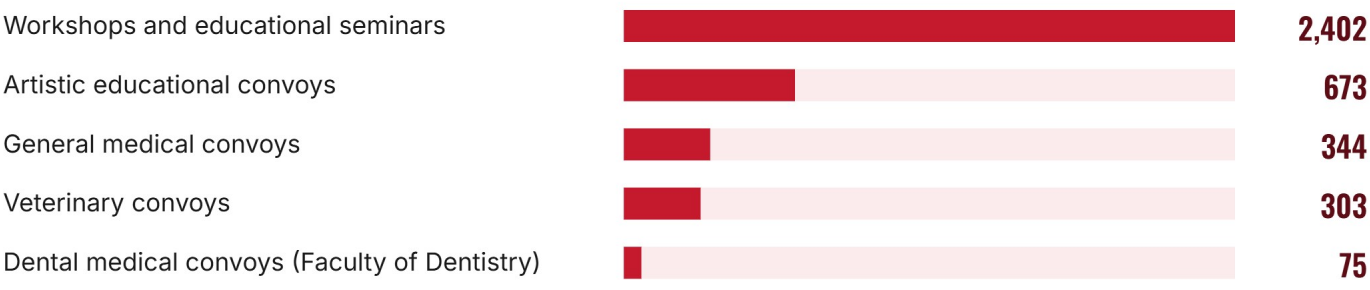

**91** held **2,402** beneficiaries

Medical, pharmaceutical, engineering, educational, psychological, artistic, agricultural, veterinary, literary, commercial, and legal fields.

**131**
Convoys, workshops and seminars

**3,797**
Beneficiaries

## BENEFICIARIES BY ACTIVITY

4.3.4

# ERADICATING ILLITERACY AND TRAINING STUDENT-TEACHERS

## ERADICATING ILLITERACY, 2024/2025

The Adult Education Center at the Faculty of Education eradicated the illiteracy of 7,570 individuals, and the Adult Education Center at the Faculty of Specific Education eradicated the illiteracy of 800 individuals from Assiut Governorate in 2024/2025.

**7,570**
Individuals, Adult Education Center, Faculty of Education

**800**
Individuals, Adult Education Center, Faculty of Specific Education

**8,370**
Individuals in total

## TRAINING STUDENT-TEACHERS IN ASSIUT SCHOOLS

The Faculty of Education, the Faculty of Specific Education, the Faculty of Early Childhood, and the Faculty of Sports Education trained 17,802 student-teachers in schools across Assiut Governorate (323 schools in total), with 9,532 pupils from these schools attending, under the supervision of 402 faculty members from these faculties.

**17,802**

4.3.5

# MECHANISM FOR UTILISING EDUCATIONAL RESOURCES BY NON-UNIVERSITY AFFILIATES

As part of the University's keenness to enrich the educational process for the youth of Assiut Governorate, the University administration permits the free use of its resources, including laboratories and lecture halls, according to the following mechanism:

**1**

### REQUEST SUBMISSION

The individual or their authorised representative submits a request to the faculty dean or centre director to continuously attend a course, stating the reasons for the request.

**2**

### REQUEST REVIEW

The competent administration reviews the request and responds within one working day of its date.

**3**

### CARD ISSUANCE

A visitor ID card is issued to the authorised person for the requested period.

## DATES AND APPROVALS

**03/07/2022**
Mechanism issued

**15/09/2023**
Mechanism approved

**10/11/2024**
Approved by the University Council

**Free of charge:** laboratories and lecture halls are open to young people from Assiut Governorate who are not affiliated with the University.
