Presidential Initiative on 5/10/2025

Assiut University continues the activities of the free early breast cancer detection campaign. The campaign is organized by the university in cooperation between the University Oncology Hospital and the South Egypt Cancer Institute, running from October 5 to 9 in front of the Campus Administrative Building. This comes as part of the President of the Republic's initiative to support Egyptian women's

health, under the auspices of Dr. Ahmed El-Minshawy, President of the University, and under the supervision of Dr. Mohamed Abou El-Majd, Dean of the South Egypt Cancer Institute.

Faculty of Pharmacy

Report on Accomplishments: Medical Convoys (2024)

Medical Convoys of the Faculty of Pharmacy

1. Medical Convoy to Al-Dour Village – Sidfa District – Assiut Governorate

- Under the patronage of Prof. Dr. Ahmed El-Minshawy, President of the University; Prof. Dr. Mahmoud Ahmed Abdel-Aleem, Vice President of the University for Community Service and Environmental Development; Prof. Dr. Jihan Nabil Hassan, Acting Dean of the Faculty of Pharmacy; Prof. Dr. Hassan Refaat Hassan, Vice Dean of the Faculty for Education and Student Affairs; and Prof. Dr. Mohamed Mahmoud Mohamed Abdel-Latif, Vice Dean of the Faculty for Community Service and Environmental Development, and within the framework of the activities of the Faculty's Community Service and Environmental Development Sector for the academic year 2024/2025.
- A medical convoy was organized to Al-Dour Village, Sidfa District, Assiut, with the participation of resident doctors from Assiut University Hospital and students of the faculty on Saturday, November 23, 2024. The convoy operated from 10:00 AM to 5:00 PM, providing medical examinations to underprivileged villagers across various specialties, including Internal Medicine, Pulmonology, Orthopedics, Dermatology, Pediatrics, Obstetrics

and Gynecology, Ophthalmology, ENT (Ear, Nose, and Throat), and Dentistry.

- Examinations and necessary medical tests were conducted for more than 600 cases from among the village residents, and medications were distributed to the examined patients. Furthermore, students provided health awareness and medical consultations to the villagers regarding various conditions, such as hypertension, diabetes, and the risks of using antibiotics without a prescription.

2. Organizing a Medical Convoy to "Naza Qarar" Village – Manfalut District

Under the patronage of Prof. Dr. Ahmed El-Minshawy, President of the University; Prof. Dr. Jihan Hassan Feteih, Acting Dean of the Faculty; Prof. Dr. Mahmoud Ahmed Abdel-Aleem, Vice President of the University for Community Service and Environmental Development; and Prof. Dr. Mohamed Mahmoud Abdel-Latif, Vice Dean of the Faculty for Community Service and Environmental Development, and within the framework of the activities of the Faculty's Community Service and Environmental Development Sector for the academic year 2024, a medical convoy was organized to Naza Qarar Village, Manfalut District, Assiut Governorate, with **the participation of faculty students on Friday, May 3, 2024.**
