

Disability Care Center Assiut University

Annual Achievements (2025)

Center's Vision:

To become a leading and distinguished center in the field of caring for students with disabilities across Egyptian universities, in accordance with quality standards.

Center's Mission:

Providing integrated services to all students with disabilities at the university to assist them in adapting to their campus environment and integrating with non-disabled peers, as well as offering educational, cultural, social, economic, and health programs that support their skill development.

General Objective:

Fostering an empowering educational, social, cultural, and economic environment for students with disabilities at the university.

Center's Objectives:

1. **Academic Support:** Supporting students academically by monitoring their educational progress and providing appropriate instructional aids.
2. **Social Integration:** Integrating students with disabilities with their non-disabled peers.
3. **Staff Development:** Organizing training courses and workshops to develop the skills of center staff, enabling them to communicate effectively with all students with disabilities.
4. **Research & Studies:** Conducting research and studies related to students with disabilities to identify their needs and enhance the quality of services provided.
5. **Skill Development:** Supporting and developing the athletic, cultural, artistic, social, and technological skills of students with disabilities in coordination with relevant university centers, units, and departments.

Provided Services

1. Educational Services

- Free provision and printing of textbooks and exam papers in Braille.
- Providing a computer lab and running digital transformation and Photoshop programs.
- Developing a screen-reader-enabled educational platform for visually impaired students.
- Establishing an electronic database to track and fulfill students' educational needs.
- Assisting postgraduate students with the practical components of their studies.
- Facilitating academic accommodations across faculties in cooperation with Deans and Vice Deans for Education and Student Affairs.

2. Social Services

- Free housing services in university dormitories and a **full tuition fee waiver** for students with disabilities.
- Assisting postgraduate students by covering **50%** of university dormitory housing costs.
- Facilitating transportation by corresponding with relevant transport services.
- Providing financial and in-kind assistance to center students.
- Establishing a social club within the center and organizing recreational trips for students.
- Handling military service processing to secure military service exemptions for eligible students.
- Free access to internal campus transport shuttles (Taftaf).
- Free campus gate entry permits for parents' vehicles.

3. Health Services

- Providing a comprehensive health directory (doctors, laboratories, pharmacies, hospitals, physical therapy, and rehabilitation) for students with disabilities.
- Conducting medical examinations for incoming new students in cooperation with the Medical Supervision Department.

- Dispensing monthly medication and purchasing hearing aids for hearing-impaired students.
- Offering medical and psychological rehabilitation, providing assistive devices (prosthetics, hearing aids), and performing electroretinograms (ERG) and visual evoked potential (VEP) tests for students.
- Covering major surgical procedures for students.

4. Technological Services

- Providing a computer lab equipped with advanced devices, including **Victor Reader, Explore 8, and Braille One**.
- Offering continuous training on all available software and applications.
- Building and managing student databases.

5. Psychological Services

- Staffing a full-time psychologist at the center to assist students through individual and group counseling sessions.
- Providing rehabilitation, training, and awareness programs for students.

6. Student Activities

Organizing various athletic meets for students and actively participating in campus awareness initiatives, including:

- Participating in various university championships.
- Participating in Egyptian Universities Sports Federation (EUSF) championships.
- Participating in activities organized by the Ministry of Youth and Sports.
- Participating in leadership training programs organized by the Leadership Development Institute.
