

Curriculum Vitae

Ahmed Mohammed Morsy

MBBCh, MSc, MD

Lecturer, Pediatric Oncology Department, South Egypt Cancer Institute Faculty Member at Assiut University, Assiut, Egypt

> ResearcherID: D-9764-2017 ORCID: 0000-0001-5617-8797

Personal data:

Name : Ahmed Mohammed Morsy Hassan

Last Name : Morsy

Current Title : Lecturer/ Consultant of Pediatric Oncology

Sex : Male

Date of birth : 01/12/1978
Nationality : Egyptian

Marital status : Married & have 3 children

Affiliation : Assiut University
Specialty : Pediatric Oncology

Phone : +20/ 1003314522 (mobile)
Language : Native language is Arabic

Fluency in English, TOEFL Score of 557

Basic French

Work Address Egypt, Assiut, El-Methak St, 71515

South Egypt Cancer Institute, Pediatric Oncology Department

Qualifications & Degrees:

- 1- MBBCh (Bachelor of Medicine, Bachelor of Surgery), Faculty of Medicine, Assiut University, 2001
- 2- MSc (Master Degree in Pediatrics), Department of Pediatrics, Faculty of Medicine, Assiut University, 2007
- 3- MD (Doctorate Degree in Pediatric Oncology), South Egypt Cancer Institute (SECI), Assiut University, 2014

Professional Training & Academic Positions:

- 1. **House officer**, Assiut *University Hospitals* from 1/3/2002 to 28/2/2003
- 2. <u>Resident</u>, Pediatric Oncology Department, South Egypt Cancer Institute, Assiut University from 1/3/2003 to 28/2/2007, including general pediatrics training at Department of Pediatrics, Faculty of Medicine, Assiut University
- 3. <u>Demonstrator</u>, *Pediatric Oncology Department*, *South Egypt Cancer Institute*, *Assiut University* from 9/2006 to 7/2007
- 4. <u>Assistant Lecturer</u>, *Pediatric Oncology Department*, *South Egypt Cancer Institute*, *Assiut University* from 7/2007 to 4/2014
- 5. <u>Lecturer</u>, Pediatric Oncology Department, South Egypt Cancer Institute, Assiut University from 30/4/2014.

Membership of Journals & Societies:

- 1. <u>Editorial Board Member</u> of: Clinical Trials in Orthopedic Disorders published by Wolfers Kluwer Medknow from 2016 April till now.
- 2. <u>Editorial Board Member</u> of: *Advances in Modern Oncology Research* published by *Bilingual Publishing Co., Singapore* from 2017 Mar. till now.
- 3. Professional Member at: Cancer Epigenetics Society; the official society of cancer epigenetics from 2017 Apr. till now.
- 4. <u>Editorial Board Member</u> of: *The Pharmaceutical and Chemical Journal* from 2017 July till now.
- 5. <u>Editorial Board Member</u> of: Clinical Trials in Degenerative Diseases (CTDD) published by Wolfers Kluwer Medknow from 2019 Mar. till now.

Clinical Experience:

Diagnosis and Management of Childhood Cancer:

- Pediatric Leukemia
- Pediatric Lymphomas
- Histiocytic Disorders of Childhood
- Pediatric Brain Tumors
- Neuroblastoma
- Pediatric Renal Tumors
- Pediatric Soft Tissue Tumors
- Pediatric Bone Tumors
- Pediatric Liver Tumors
- Germ Cell Tumors
- Rare Tumors in Children with Cancer
- Pain & Symptom Management in Pediatric Oncology
- Palliative Care in Pediatric Oncology
- Supportive Care in Pediatric Oncology

Diagnosis and Management of Pediatric Diseases

Academic Work:

- Faculty teaching of curricula that are considered as minimal requirement for postgraduate students to be qualified for Master and Doctorate degree exams.
- Supervision of theses required for postgraduate students for fulfillment of their Master and Doctorate degree.
- Conduct of various research activities in the field of pediatric oncology.

Conferences Attended as a speaker:

- Impact of pain management using the WHO analgesic ladder in children with cancer. 6th Scientific Annual Conference of South Egypt Cancer Institute (1st 5th April 2014); Hurghada, Egypt.
- Pathobiology & Etiology of Pediatric Leukemia: Recent Evidence. 2nd annual conference of pediatric oncology department, 27th March 2016; Assiut University, Assiut, Egypt.
- Environmentally-Mediated Epigenetic Effects: Uncovering the Fertile Soil in the Development of Pediatric Cancer. The 9th International Scientific Conference of South Egypt Cancer Institute (4th 5th October 2017); Assiut University, Assiut, Egypt.

Abstracts or Posters accepted in Conferences:

- 1) Environmentally-Mediated Epigenetic Effects: Uncovering the Fertile Soil in the Development of Pediatric Cancer.
 - ♣ 2nd European Cancer Epigenetics Conference. May 11–13, 2017. Heidelberg, Germany. Venue: German Cancer Research Center (DKFZ). (Poster)
 - ♣ 2nd International Congress on Epigenetics & Chromatin. November 06-08, 2017.
 Frankfurt, Germany. Theme: Revolutionary Strategies in Diagnosis and Treatment of Cancer and Genetic Disorders. (Abstract)
- 2) P-458 Pain Experience Profile in Children with Cancer: Prospective Analysis of 2216 Treatment Days in a Developing Country
 - **↓** PEDIATRIC BLOOD & CANCER, WILEY, Volume 64, Issue S3, S376-S376, https://onlinelibrary.wiley.com/doi/full/10.1002/pbc.26772, November, 2017. (Poster)
- **3)** P-459 Myocardial Changes in Childhood Cancer Patients Treated with Anthracyclines.
 - ➡ PEDIATRIC BLOOD & CANCER, WILEY, Volume 64, Issue S3, S376-S376, https://onlinelibrary.wiley.com/doi/full/10.1002/pbc.26772, November, 2017 (Poster)

Journal Publications:

Peer Review Academic Activities:

Publons Verified Record

⁴publons

Peer Review Summary

Performed 28 reviews for journals including *Journal of Medicinal Plants Research* and *African Journal of Pharmacy and Pharmacology*; placing in the 91st percentile for verified review contributions on Publons up until March 2019.

- Journal of Medicinal Plants Research
- African Journal of Pharmacy and Pharmacology
- Scientific Research and Essays
- Journal of Cancer Research and Experimental Oncology
- Merit Research Journal of Medicine and Medical Sciences
- International Research Journal of Medicine and Medical Sciences
- International Journal of Advance Agricultural Research
- Journal of Physical Science and Environmental Studies
- African Journal of Biochemistry Research
- Journal of Diabetes and Endocrinology
- Clinical Trials in Orthopedic Disorders
- Journal of Cancer Prevention & Current Research
- Mathews Journal of Dentistry
- International Journal of Clinical Oncology and Cancer Research
- Mathews Journal of Cancer Science
- ___ 1 African Journal of Cellular Pathology

Research Projects:

♣ Risk Factors & Outcomes for Clinically Documented Infections in Pediatric Cancer Patients with Fever & Neutropenia

ClinicalTrials.gov Identifier: NCT02536599

➡ Malignant Genito-urinary Tumors in Children: South Egypt Cancer Institute Experience ClinicalTrials.gov Identifier: NCT02557230

Malignant Pediatric Soft Tissue & Bone Tumors of the Extremities: A Retrospective Study

ClinicalTrials.gov Identifier: NCT02557243

♣ Head and Neck Cancer in Children: A Retrospective Study ClinicalTrials.gov Identifier: NCT02557048

♣ Embryonal Tumors of Infancy & Childhood: South Egypt Cancer Institute Experience

ClinicalTrials.gov Identifier: NCT02665676

♣ Cancer in Infants: South Egypt Cancer Institute Experience ClinicalTrials.gov Identifier: NCT02668354

Malignant Pediatric Pelvic Tumors: A Retrospective Study ClinicalTrials.gov Identifier: NCT02557256

Combined Modality Therapy in Hepatoblastoma: South Egypt Cancer Institute Experience

ClinicalTrials.gov Identifier: NCT02557750

♣ Impact of Image-defined Risk Factors on the Outcome of Patients with Neuroblastoma: A Retrospective Study

ClinicalTrials.gov Identifier: NCT02558244
