

- **Electrical engineering curriculum**

Post-Graduate Diploma Courses in

- » Diploma in Electrical Power and Machines Engineering

Diploma in
Electrical Power and

- » Diploma in Electronics & Communication Engineering

Diploma in
Electronics & Comm

- » Diploma in Control & computer Engineering

Diploma in Control
& computer Engineer

- » Diploma in Electronics Engineering

Diploma in
Electronics Engineer

- » Diploma in Power System Operation and Control

Diploma in Power
System Operation and

- » Diploma in Power Electronic Applications in Power Systems

Diploma in Power
Electronic Applicatic

Master Degree Courses - First and Second Stage

- » Master Degree in Electrical Power & Machines Engineering

Master Degree in
Electrical Power & M

- » Master Degree in Electronics & communication Engineering

Master Degree in
Electronics & comm

» Master Degree in Control & Computer Engineering

Master Degree in
Control & Comput

PH.D Degree Courses in

» Doctor of Philosophy Degree in power and Machines
Engineering

PH.D in power and
Machines Engineeri

» Doctor of Philosophy Degree in Electronics & communication
Engineering

PH.D in Electronics
& communication E

» Doctor Degree in Control & Computer Engineering

PH.D in Control &
Computer Engineeri
