

Majid Ahmed Jad EL-Rab El-sayed Askar
 Computer Science Department
 Faculty of Computers & Information
 Assiut University, Assiut 71516
 Telephone: +20-88-242-3030 (Office), +20-10-651-3408 (Mobile)

Curriculum Vitae

Personal Details			
1. Full Name	Majid Ahmed Jad EL-Rab El-Sayd Askar		
2. Sex	Male		
3. Family and marital status	Married		
4. Date of Birth	15/12/1980		
5. Nationality	Egyptian		
6. Languages	Arabic(Mother tongue),English(very good),French		
Position History			
2010-onwards	Lecturer assistant at CS Department		
2003-2010	Demonstrator at CS Department		
Educational Qualifications			
Degree/Diploma	University/Board	Class/Marks	Year
1. Bachelor of Computers & Information, computer science	Helwan University	Very Good, with Honor Rank.	2001
2. Pre-Master of Computer Science	Cairo University	Very Good	2004
3. Master of Computer Science	Cairo University		2010
Honours, Awards , Memberships and Positions held in the past			
1. Member of the E-learning Centre – Assiut University. 2. Member of the Quality Assurance & Accreditation unit – faculty of Computers & Information – Assiut University. 3. Member of the implementation team of Upgrading and Development of Meat Hygiene and Technology Education in Egypt project – faculty of Veterinary Medicine– Assiut University. 4. Member of the implementation team of Online Teaching project – faculty of Computers & Information – Assiut University. 5. Member of the implementation team of CIQAP project – faculty of Computers & Information – Assiut University.			
Research Interest			
Semantic Web, Agents, Artificial intelligence, Bioinformatics.			
Publications			
Journals	[1]. Majid A. Askar,Hesham A. Hassan and Samhaa R. El-Beltagy "Semantic web based search agent system" Journal of Engineering Sciences, Assiut University Vol. 38, No. 4, pp 989 -1000, July 2010.		
Conferences	[2]. Majid A. Askar "Mobile Cloud Computing: An Introductory Survey" 4th International Conference on Mathematics & Information Science, ICMIS 2015 Cairo 5-7 February, 2015.		
	[3]. Majid A. Askar,and Hesham A. Hassan "Search agent System based on Semantic web" 4th International Conference on Mathematics & Information Science, ICMIS 2015 Cairo 5-7 February, 2015 .		
Programming languages and Tools			
C, C++, java, C#, MS-Office, SQL server
