

Curriculum Vitae

1-Personal Data:

- Name : Prof.Assem Hussain Kamel. Date of Birth :8-8-1960
- Sex :Male. Nationality :Egyptian.
- Marial Status :Married And Has Three Children.
- Profession : Prof. Plastic & Reconstructive Surg. Burns.,Faculty of Medicine-Assiut University.
- Postal Address : (For Correspondence):
Plastic Surgery Dept.-Assiut University Hospital- Assiut-Egypt.
- Tel. No. 00969597132533
- E-Mail : assemkamel888@yahoo.com , assemkamel888@yahoo.com
- Languages : English– Arabic.

11. Education:

- The Primary School: Result: 285\300 (Excellent).
 - The Preparatory School: Result:238\260 (excellent).
 - The Secondary School: Result: 363\400 (Excellent).
- A student In Faculty Of Medicine, Assiut University. General Grade: Very Good.

111.Degrees:

- M.B.B.CH from Assiut Faculty Of Medicine. (1983) **General Grade: Very Good.**
- Master Degree In General Surgery From Assiut University . (1988)**General grade: Very Good .**

Title of the Master thesis:

“JAW SWELLINGS; RADIOLOGICAL AND PATHOLOGICALSTUDY”

-M.D. PLASTIC AND RECONSTRUCTIVE SURGERY -AIN SHAMS UNIVERSITY- EGYPT. 1994 -

THESIS :

CLEFT PALATE FISTULA .

Evaluation of incidence , aetiology and methods of treatment .

1V.Position Held:

A.Current:.

2007 – uptill now Consultant plastic and reconstructive surgery in Rabeah Medical center – also , The medical director

B .Past :

1-3-84 A house officer in Assiut University Hospital .

1-3-85 to 8-8-88 : A Resident in general and Plastic Surgery Department – Assiut Univ. Hospital.

8-8-88 to 5-3-89 : Clinical demonstrator in Plastic Surg. And Burn Dep. Assiut Univ. Hospital.

5-3-89 to 19-3-95 : Assistant Lecturer In Plastic Surg. And Burn Dep. Assiut Univ. Hospital.

2-2-92 to 2-12-94 : Visitor In Ain Shams University

1994-2000 : Lecturer of Plastic & Reconstr. Surg.and Burn . Assuit University – Assuit – Egypt

28/5/2000- june 2005 : Associate Prof. Plastic & Reconstr. Surg. and Burn . Assuit University –Assuit – Egypt . Consultant of plastic Surgery in the Enurance Hospital in Upper Egypt (3 Hospitals – 25 million population)

june 2005 – up till know : Prof. Plastic & Reconstr. Surg. and Burn . Assuit University –Assuit – Egypt . Consultant of plastic Surgery in the Enurance Hospital in Upper Egypt (3 Hospitals - 25 million population

2005-2006 Prof. of Plastic & Reconstr. Surg.and Burn . Faculty of Medicine in AL Ahsa – KFU – Saudia Arabia

V . Scientific Activities And Researches:

*Teaching :

- Teaching the Medical Student of Faculty of Medicine in Al Ahsa - KFU _ Saudia Arabia . the clinical skills of general Plastic Surgery
- Teaching The Medical Students of Three universities :Assiut , Al-Azhar , south valley , universities the clinical skills of general Plastic Surgery
- Teaching the Paramedical Staff of the High Institute of Nursing .How To Deal With Patients of Burns And Fire Disasters .
- Teaching Of The Medical Instrumentation To The Students Of Technical Health Institute
- Teaching course about burn for especialist in general surgery , general practional , and nurses working in the burn unit.

• Conferences :

- Attendance and participation some of the annual meeting on the International Society of plastic Surgey

- Attendance And Participant Of The Annual Meetings Of :
The Egyptian Society Of Plastic And Reconstructive Surgeons –ESPRS-(Some Certificates Are Present).
- Attendance And Participant Of The International Instructional Course On Burns , Held In Club (M B C).
- Attendance And Participant Of Some Annual Meetings Of The Mediterranean Burn Club
- Attendance And Participant Of The Annual Meetings Of The Pan-Arab Society Of Plastic Surgeons .
- The congress of the libanese society of plast. & reconstr. Surg. 2003
- KUWITPLAST 2004
- PAN AFRICAN BURNS SOCIETY Conference 16-19 May 2004, Cape Town, South Africa
- SOFCEP Congress Paris May 2005
- Lebanese Society Of plastic , Reconstructive & Aethetic Surgery – LSPRAS , Mediterranean Council for Burns & Fire Disasters – MBC , International Association For Humanitarian Medicine- IAHM , Beirut - LEANON Nov. 2005.
- Kuwait plast 2007
- Work shop on LASER Lipolysis (one week) Italy 2009

V1. Clinical Experiences:

Assuit University Hospital is the second biggest hospital in Egypt , it drains patients from upper egypt (more than 40million) - there are 6 M.D. graduated staff (3 Prof. , 1 Assoc. Prof . , 2 Lecturer) – 5 Assoc. Lecturer – 8 Residant .

We had 4 out-patients clinics per week – Each receive about 60 patients (120 patients per week) . 40 % (30patients per week)of our patients ask for aesthetic surgeries

Aesthetic

- LASER LIPOLYSIS
- Endoscopic plastic surgery (Face , Breast , Abdomen , Expanders , and Adipofascial flap elevation)
- Aesthetic surgery of the aging face (face and brow lift , filler injection , implants, Laser , Botox injection)
- Contouring procedure of the face (Liposuction – Dermofat and fat injection – injection of different fillers , implants) – Osseous Genioplasty
- Periorbital aesthetics and Blepharoplasty
- Dermabrasion , chemical peel
- Rhinoplasty (primary and secondary with or without autogenous and synthetic implants)
- Liposuction , lipectomy , and Suction assissted lipectomy of different body areas (Abdomen , Buttock , Thighs , Back , and Arms). And lifting of different body parts
- Abdominoplasty including the previously mentioned procedures + correction of the musculo-aponeurotic system including hernias.
- Breast reduction , augmentation . and mastopexy.
- Management of Gynaecomastia

- Breast reconstruction and contouring after different breast surgeries (Mastectomies – Lumpectomies)
- Ear aesthetics
- Hair restoration

-Burn Management .

- Management of Acute and Post-Burn Problems .

- Reconstructive Surgery

- All Types of Skin Grafts And Its Applications .
- All Types Of Flaps And Its Applications .
- Traumatology And Soft Tissue Reconstruction .
- Congenital Anomalies: Cleft Lip And Palate, Haemangiomas, Moles,

Etc.

- Hand Surgeries: Trauma, Anomalies and Reconstruction .
- Skin Malignancy Management.
- Head And Neck Reconstructive Surg.
- Reconstruction of different anomalies(Cleft lip and palate–Hypospadias–Hand & Ear anomalies)

V11. Society Memberships:

Current:

- Member Of Mediterranean Burn Club
- Member Of IPRAS (International plastic , Reconstructive & Aesthetic Society)
- Member Of PAN-ARAB Society Of Plastic Reconst. Surg.
- Member Of PAN_AFRICAN Society Of Plastic Reconst. Surg.
- Egyptian Society Of Plastic And Reconstructive Surgeons(ESPRS).
- Operation smile team
- Member Of
 - Assiut Medical Syndicate.
 - Egyptian Medical Syndicate.
 - Assuit Society of Burn's Victim Friends
