ACADEMIC QUALIFICATIONS:

- **MD in Cardiovascular medicine** in June 2005, Faculty of Medicine, Assiut University, Assiut, EGYPT. Title of thesis (Predictors of successful radiofrequency catheter ablation of accessory pathways).
- **MSc in Cardiovascular medicine** (Grade good) in December 2000, Faculty of Medicine, Assiut University, Assiut, EGYPT. Title of thesis (Cardiac autonomic dysfunction in diabetics versus non-diabetics and its relation to silent Ischemic episodes).
- **MB BCh** degree in medicine and surgery (Grade very good with Honour) in September 1994, Faculty of Medicine, Assiut University, Assiut, EGYPT.
- **General Certificate of Secondary Education** (343 marks out of 400, 85.75%) in 1988, Sohag Secondary School, Sohag, EGYPT.

CURRENT POSITION:

- Clinical Lecturer of Cardiovascular Medicine, Faculty of Medicine, Assiut University, Assiut - EGYPT.
- Consultant of Cardiovascular Medicine, Cardiovascular Medicine Department, Assiut University Hospitals, Assiut, EGYPT.
- Director of Catheterization Laboratory, Assiut University Hospitals, Assiut, EGYPT.
- Consultant of Intervention Cardiology, Cardiology Department, Cardiac and Gastroenterology Center, Sohag, EGYPT.

POSTGRADUATE CAREER:

- House officer at Assiut University Hospital, Assiut – EGYPT for one year from 01/03/1995 till 29/02/1996.
- Resident of cardiology (Registrar) at cardiology unit, internal medicine department, Assiut University Hospital, Assiut – EGYPT from 01/03/1996 till 28/02/1999.
- Demonstrator of cardiology at Cardiovascular Medicine department, Assiut University Hospital, Assiut – EGYPT from 01/03/1999 till 11/02/2001.
- Echocardiographer at Assiut Cardiac Center, Assiut – EGYPT (One day per week) from 01/01/2000 till 31/12/2006.
- Assistant lecturer of Cardiovascular Medicine (SpR Cardiology) at Cardiovascular Medicine department, Assiut University Hospital, Assiut – EGYPT from 12/02/2001 till 31/07/2005.
- Electrophysiology fellow at Arrhythmia Service Department, National Heart Institute, Cairo – EGYPT from 01/10/2001 till 31/12/2001.
- Electrophysiology fellow at Pacing & electrophysiology section, Cardiology Department, Ain Shams University Hospitals, Ain Shams University, Cairo – EGYPT (Two days per week) from 01/01/2002 till 31/10/2004.
- Clinical attachment (With Dr. Raj Khattar, Consultant of Cardiology) at Cardiology Department, Manchester Heart Centre, Manchester Royal Infirmary, Manchester – UK from 13/03/2006 till 02/06/2006.
- Intervention cardiology fellow at cardiovascular medicine department, Kokura Memorial Hospital, Kitakyushu, JAPAN from 30/01/2009 till 29/01/2011.
- Clinical lecturer of Cardiovascular Medicine (Consultant) at cardiology department, Assiut University Hospital, Assiut – EGYPT from 01/08/2005 till now.

TRAINING EXPERIENCE IN CARDIOLOGY:

- Training in clinical cardiology (*Including cardiology clinics & in-patient wards, chest pain unit in the emergency department, intermediate coronary care unit and coronary care unit*) and non-invasive cardiology (*Including exercise stress ECG, adult transthoracic echocardiography, adult transesophageal echocardiography and Holter monitoring analysis*) at Cardiovascular Medicine department, Assiut University Hospital, Assiut - EGYPT from 01/03/1996 till 11/02/2001.
- Training in clinical, non-invasive and invasive cardiology (*Invasive cardiology included Coronary Angiography, Percutaneous Coronary Intervention, Balloon Mitral Valvuloplasty, Balloon Pulmonary Valvuloplasty, Pacemaker Implantation and Electrophysiological Studies & Radiofrequency catheter ablation of arrhythmias*) at Cardiovascular Medicine department, Assiut University Hospital, Assiut - EGYPT from 12/02/2001 till now.
- Training course in “*Pacemaker implantation, programming & follow up and Electrophysiologic studying and catheter ablation of arrhythmias*” at Arrhythmia Service Department, National Heart Institute, Cairo - EGYPT from 01/10/2001 till 31/12/2001.

- Training course in “*Electrophysiology and Cardiac pacing*” at Pacing & electrophysiology section, Cardiology Department, Faculty of Medicine, Ain Shams University, Cairo - EGYPT from 01/12/2003 till 01/05/2004.
- Training course in “*Dual Chamber Adaptive Rate Pacing & Heart Failure Therapy*” at Cardiology Department, Kasr El-Ainy Faculty of Medicine, Cairo University, Cairo - EGYPT in association with Institute for Therapy Advancement - BELGIUM from 15/01/2005 till 19/01/2005.
- Training in non-invasive (*adult transthoracic echocardiography, Dobutamine stress echocardiography and contrast echocardiography*) and invasive cardiology (*Coronary Angiography and Percutaneous Coronary Intervention*) at Cardiology Department, Manchester Heart Centre, Manchester Royal Infirmary, Manchester – UK from 13/03/2006 till 02/06/2006.
- Training in invasive cardiology (*Coronary Angiography “800 cases independently” and Percutaneous Coronary Intervention “400 cases independently” via radial & brachial approaches and dual chamber pacemaker “20 cases independently”, ICD “10 cases independently” and CRT implantation “10 cases independently”*) at cardiovascular medicine department, Kokura Memorial Hospital, Kitakyushu, JAPAN from 30/01/2009 till 29/01/2011.
- Society of Cardiovascular Angiography and Interventions (SCAI) Interventional Cardiology Fellow Course. 19-20 Nov. 2012, Bibliotheca Alexandria, Alexandria, EGYPT.
- BIOTRONIK International Fellow Program (International fellows seminar covering clinical electrophysiology, treating arrhythmias and heart failure, novel concepts in treatment of atrial fibrillation and managing complex arrhythmic and device patients) in Roma, ITALY, December 3-4, 2012.
- Lübeck Interventional Cardiology Course (*crash course delivering practical knowledge on the tips, tricks, pitfalls and complications in adult diagnostic and therapeutic coronary intervention through mixture of practical lectures, case demonstrations, attendees and a chance to practice at the cath lab table*) supported by Boston Scientific company and running by Prof Deepak Jain at II Medical Clinic, University Hospital Schleswig-Holstein, Campus Lübeck, GERMANY from 25/03/2013 till 28/03/2013.
- The Italian Network of Excellence for Training Project to train international doctors on the heart rhythm disorders and heart failure management (*Practical training course on CRT implantation*) supported by Medtronic company and taking place at EP Laboratory of the Policlinico Casilino Hospital, Roma, ITALY from 17-21 November 2014.

PRACTICAL EXPERIENCE:

- The House officer period was one year from 01/03/1995 till 29/02/1996. It was divided two months in each of the following departments: general surgery, internal medicine, pediatrics, gynecology & obstetric, dermatology and anesthesia & emergency.
- Residency and demonstrator periods were from 01/03/1996 till 11/02/2001. During it, I was assigned to work for 25 days/month, which included 14-16 days as a full day duty including night shifts at CCU, ER and cardiology ward. It included attending in clinical cardiology activities and non-invasive cardiology activities which enable me to:
 - 1- Diagnosis and management of emergency cardiac cases at coronary care unit (i.e. acute coronary syndromes, CHF, pulmonary embolism, arrhythmias ... etc).
 - 2- Performing Invasive CCU techniques (i.e. arterial lines, central venous lines, temporary pacing ... etc.).
 - 3- Treatment and follow up the cardiac patients in cardiology inpatient wards.
 - 4- Treatment and follow up the cardiac patients in cardiology outpatient clinics.

- 5- Performing the non-invasive diagnostic procedures (Exercise Stress ECG, Adult Transthoracic Echocardiography, Adult Transesophageal Echocardiography and Holter monitoring analysis).
- Assistant lecturer was from 12/02/2001 till 30/07/2005.
During it, I was assigned to work for 25 days/month, which included 8 days as a full day duty with night shifts CCU, ER and cardiology ward. It included attending in clinical cardiology activities with supervising the cardiology residents and demonstrators. Also, it included attending non-invasive and invasive cardiology activities. In addition to the previous residency activities, it enables me to:
 - 1- Follow up and programming the permanent pacemaker patients.
 - 2- Instructor for pacemaker follow up and programming.
 - 3- Assistance then independent operator for the following invasive cardiac procedures; coronary angiography, EPS & ablation and permanent pacemaker implantation (VVI, VVIR & VDD).
 - 4- Instructor for VVI, VVIR & VDD permanent pacemaker implantation.
 - 5- Assistance in the following invasive cardiac procedures PCI, Balloon Mitral Valvuloplasty, Balloon Pulmonary Valvuloplasty and dual chamber pacemaker implantation.
 - 6- Observation of ICD implantation.
 - 7- Observation then assistance of ICD follow up and programming.
 - Lecturer from 01/08/2005 until now.
During it, I assignee to work as a consultant of Cardiology which including supervising outpatient clinics, inpatient wards, emergency department and CCU. Also, it included training of cardiology residents, demonstrators on clinical cardiology and assistant lecturers on non-invasive (*Exercise Stress ECG, Adult Transthoracic Echocardiography, Adult Transesophageal Echocardiography and Holter monitoring analysis*) and invasive cardiology (*Coronary Angiography, Percutaneous Coronary Intervention, Permanent Pacemaker Implantation and Electrophysiological Studies & Radiofrequency catheter ablation of arrhythmias*).
In addition to the previous activities, it enables me to:
 1. Independent operator for coronary angiography, PCI, Balloon Mitral Valvuloplasty and Balloon Pulmonary Valvuloplasty.
 2. Independent operator for device implantation (single and dual chamber permanent pacemaker, ICD and CRT).
 3. Cardiac devices follow up and programming included (single and dual chamber permanent pacemaker, ICD and CRT).
 4. Independent operator for the EPS & ablation of cardiac arrhythmias.

FACULTY ACTIVITIES:

- Participate in seminars, case presentations and journal clubs at Cardiology Department, Assiut University Hospital, Assiut - EGYPT from 01/03/1996 till now.
- Assignee for teaching and training of cardiology in clinical rounds for medical students at faculty of medicine, Assiut University, Assiut - EGYPT from 01/03/1999 till now.

INFORMATION TECHNOLOGY SKILLS:

- Well skilled at computer, certified with ICDL (*IT, Windows, Word, PowerPoint, Excel, Access, Internet Explorer & other Internet-Linked Skills*), Adobe Photoshop and SPSS statistical management.
- I designed the framework of the cardiac catheterization data base program at Cardiovascular Medicine Department, Assiut University Hospital, Assiut, EGYPT. Also, I

supervised the programmer all through the work up to finishing it and shared in the training of secretaries to use the program.

- Training course in “*Medical statistics and its applications using SPSS program*” in Computer Lab., Faculty of Medicine, Assiut University, Assiut, EGYPT from 01/06/2002 till 30/06/2002 for 30 Hours.

CONFERENCES:

Speaker in:

- 30th Annual international Conference of the Egyptian Society of Cardiology (Feb. 2003), Cairo, Egypt. I presented abstract entitled (Cardiac autonomic dysfunction in diabetics versus non-diabetics and its relation to silent ischemic episodes).
- 4th conference of Egyptian Working Group on Pacing & Electrophysiology a branch from the Egyptian Society of Cardiology (January 2005), Cairo, Egypt. I presented a case (Tips and trips on a case of accessory pathway ablation).
- 32nd Annual international Conference of the Egyptian Society of Cardiology (Feb. 2005), Cairo, Egypt. I presented abstract entitled (Predictors of successful radiofrequency ablation of manifest accessory pathways. Mapping during pre-excited sinus rhythm or pre-excited sinus rhythm and ventricular pacing).
- 1st conference of Egyptian Working Group on Cardiovascular Diseases in Women a branch from the Egyptian Society of Cardiology (Sept. 2006), Cairo, Egypt. I presented a lecture entitle (Pregnancy-Associated Cardiomyopathy).
- EuroPCR May 2010, Paris, France. I presented abstract entitled (Long-term safety and outcomes of unprotected left main coronary artery bifurcation intervention using provisional one stent strategy with drug-eluting stents compared with bare-metal stents).
- EuroPCR May 2011, Paris, France. I presented abstract entitled (Repeated drug-eluting stent versus balloon angioplasty for management of drug-eluting stent associated restenosis in de novo and instent restenosis lesions).
- 38th Annual international Conference of the Egyptian Society of Cardiology (October 2011), Cairo, Egypt. I presented abstract entitled (Transradial Percutaneous Coronary Intervention Using Sheathless Guide Catheter Technique Single Center Experience).
- 39th Annual international Conference of the Egyptian Society of Cardiology (Feb. 2012), Cairo, Egypt. I presented abstract entitled (Long-term Outcomes of Multiple Overlapping Small Drug Eluting Stents for Treatment of Diffuse Coronary Artery Lesions).
- CardioAssiut May 2012, Hurghada, Egypt. I presented a lecture entitle (Permanent Pacing in Elderly).
- CardioAlex June 2013, Alexandria, Egypt. I presented abstract entitled (Efficacy and Safety of Transradial Percutaneous Coronary Intervention Using Sheathless Guide Catheter Technique).

Attendance of:

- 14th through 23rd and 29th through 31st Scientific Annual Conference of Faculty of Medicine, Assiut University (Feb. 1996 through Feb. 2005 and Feb. 2011 through Feb. 2013), Assiut, EGYPT.
- 27th through 32nd and 38th through 40th international conferences of the Egyptian Society of Cardiology (Feb. 2000 through Feb. 2005 and Feb. 2011 through Feb. 2013), EGYPT.
- 4th world congress of Echocardiography and Vascular Ultrasound (January 2000), Cairo, EGYPT.
- 3rd & 4th conference of the Egyptian Working Group on Pacing & Electrophysiology a branch from the Egyptian Society of Cardiology (January 2003 – January 2005), EGYPT.
- 8th through 10th Annual conference of the Egyptian Working Group on Interventional Cardiology a branch from the Egyptian Society of Cardiology (July 2003 – July 2005), EGYPT.

- 4th through 6th Annual conference of the Egyptian Working Group on Thrombosis and Hemostasis a branch from the Egyptian Society of Cardiology (March 2003 – March 2005), Cairo, EGYPT.
- 8th & 9th Annual conference of the Egyptian Working Group on Echocardiography a branch from the Egyptian Society of Cardiology (Sept. 2004 – Sept. 2005), EGYPT.
- 2nd & 3rd Cardiology Conferences of Upper Egypt Universities (January 2004 - January 2005), EGYPT and member of the organizing committee of the 2nd conference.
- 26th and 27th Live Demonstration in Kokura, Kokura Memorial Hospital (May 2009 – May 2010), Kitakyushu, JAPAN.
- 18th Annual Meeting of the Japanese Association of Cardiovascular Intervention and Therapeutics (June 2009), Sapporo, Hokkaido, JAPAN.
- 74th Annual Scientific Meeting of the Japanese Circulation Society (March 2010), Kyoto, JAPAN.
- Euro PCR Annual Congress of the European Association of Percutaneous Cardiovascular Interventions (May 2010, 2011 & 2013 - 2015), Paris, France.
- Alex PCI 16th Annual Scientific Meeting of the Egyptian Working Group on Interventional Cardiology a branch from the Egyptian Society of Cardiology (November 2012), Alexandria, EGYPT.
- XV International symposium on progress in clinical pacing (Dec. 2012), Rome, Italy.
- Aswan Heart Centre Conference (Unstable Plaque – From Molecules to the Community) (Feb. 2013), El Gouna, Egypt.
- CardioAlex Annual Conference of the Egyptian Society of Cardiology (June 2012 and June 2013), Alexandria, EGYPT.
