

Curriculum Vitae

Personal Information

Name:	Rania Mohamed Mahmoud Hafez
Specialty:	Consultant & lecturer of Clinical Hematology
Address:	Department of Internal medicine, Assiut University Hospitals, 71515, Assiut, Egypt
Fax:	+20882333327
E-mail:	raniahafez@aun.edu.eg raniahafez@ymail.com
Website:	http://www.aun.edu.eg/membercv.php?M_ID=4825

Qualifications

Bone Marrow Transplant clinical fellowship	Bone Marrow Transplant clinical fellowship at Cornell University, New York, USA	2015
Doctorate Degree of Clinical Hematology	Faculty of Medicine, Assiut University, Assiut, Egypt <u>The thesis of my medical doctorate degree (MD) was about:</u> Outcome of different modalities of treatment of myelodysplastic syndrome in Egyptian patients.	2013
Master Degree (MSc) in Clinical Hematology	Faculty of Medicine, Assiut University, Assiut, Egypt (Excellent) <u>The thesis of my master degree (MSc) was about:</u> Stem cell therapy in hematological diseases.	2008
Bachelors of Medicine (MB ChB)	Faculty of Medicine, Assiut University, Assiut, Egypt (Very good)	2004

Postgraduate Training

Internship	Assiut University Hospitals, Faculty of medicine, Assiut university, Assiut, Egypt	Mar. 2005 – Feb. 2006
Residency	Clinical Hematology Unit, Department of Internal medicine, Assiut University Hospitals, Assiut, Egypt	Mar. 2006 – Feb. 2009

Demonstrator of Internal Medicine	Department of Internal medicine, Faculty of Medicine, South Valley University, Egypt	Jan. 2009 – June 2009
Assistant lecturer of Clinical Hematology	Department of Internal medicine, Faculty of Medicine, Assiut University, Egypt	June 2009 – December 2013
Clinical fellow of Stem cell transplant	Stem cell transplant unit, Nasser Institute, Cairo, Egypt	2012-2013
Bone Marrow Transplant clinical fellowship	Bone Marrow Transplant clinical fellowship at New York Presbyterian Hospital, Weill Cornell Medical College, Cornell University, New York, USA	March 2015 – Sept. 2015
Lecturer& Consultant of Clinical Hematology	Department of Internal medicine, Faculty of Medicine, Assiut University, Egypt	January 2014 – Present

Clinical Experiences

Assiut University Hospitals, Assiut, Egypt (March 2004 – December 2013):

Assiut University Hospital is the biggest hospital in Upper Egypt & is the third biggest in the whole country (> 1800 bed) with continuous expansion. The Department of Internal Medicine consists of > 160 beds including:

- Cardiology unit (20 beds), Cardiology Intensive care unit (CCU) (10 beds), Stress ECG & Echocardiography units.
- Nephrology unit (20 beds) & Dialysis unit (30 machines).
- Hepatology & Gastroentrolgy unit (24 beds), Gastoentrolgy intermediate care unit (12 beds).
- Hematology unit (20 beds), Hematology intermediate care unit (8 beds).
- Rheumatology unit (10 beds).
- Endocrinology unit (20 beds).
- General Medicine unit (20 beds).

During my job in this department, I have worked as a house officer (Intern) for 4 months and as a senior house officer (resident doctor) for 3 years.

My clinical duties included outpatient clinic sessions (new & follow-up patients), ward rounds, 2-3 shifts per week (each lasting 24 hours, taking care of newly admitted & emergency cases). I have participated in medical seminars, journal clubs, case presentations, conferences & clinical research projects.

The post was rotational between the different units every 3 or 4 months. The team would

generally consist of one professor (consultant), one lecturer (senior registrar), one assistant lecturer (registrar), and one senior house officer (resident). I had the chance to deal with hundreds of cases in the following specialties:

- **Hematology Unit:** I had worked in hematology unit for 2 years and during that period I had the chance to deal with large numbers of cases including management and follow up of:
 - All types of anaemias including:
 - Iron deficiency anaemia.
 - Macrocytic anaemias.
 - Hemolytic anaemia.
 - Thalassemia and hemoglobinopathies.
 - Marrow damage anaemias.
 - Dysplastic and sideroblastic anaemia.
 - Polycythaemia.
 - Acute myeloid and acute lymphoblastic leukemia.
 - Chronic myeloid leukemia.
 - Chronic lymphocytic leukemia.
 - Hodgkin's and Non Hodgkin's lymphomas.
 - Myeloproliferative disorders.
 - Multiple myeloma and other plasma cell disorders.
 - All types of bleeding disorders including:
 - Vascular purpura.
 - Thrombocytopenia and platelet dysfunction.
 - Hemophilia.
 - Consumptive coagulopathies.
 - Thrombotic disorders.
 - All kinds of hematological emergencies.
- **Hepatology & Gastroenterology Unit:** I had the chance to deal with patients with liver & gastrointestinal diseases including cases of GIT bleeding, hepatic coma & fulminant hepatic failure.
- **Endocrinology & Diabetes Unit:** I had the chance to deal with cases of diabetes & its complications and other endocrine disorders including endocrine emergencies.

- **Nephrology Unit:** I had the chance to deal with cases of acute & chronic renal failure & their complications.
- **Rheumatology unit:** I had the chance to deal with cases of connective tissue diseases including their complications & complications of steroid therapy.
- **Cardiology unit:** I had the chance to deal with cases of chest pain, acute coronary syndromes, arrhythmias, rheumatic heart diseases, cardiac arrest & cardiopulmonary resuscitation.
- **Emergency Department:** I had the chance to deal with various kinds of emergencies.

Nasser Institute, Cairo, Egypt (2012 –2013):

I have received training in stem cell transplant in various benign and malignant haematological diseases in Nasser Institute which is the largest center of stem cell transplant in Egypt.

Teaching experience & activities

Medical Students Teaching

- Assiut University Hospitals, Faculty of medicine, Assiut university, Assiut, Egypt (3 clinical rounds / week for the 5th year medical students)

Lectures

- **Subclinical Renal Involvement in Patients with B Thalassemia Major** May 2014
The 15th International Thalassemia Conference, Cairo, Egypt

Scientific communications attendeda

- The 5th Pan Arab Hematology Association Congress, 14th Saudi Society of Hematology Conference in collaboration with Egyptian Society of Hematology and Research
Cairo, Egypt
February 2016
- The 11th International Conference of Egyptian Society of Hematology and Research (ESHR), Update in Hematology
Cairo, Egypt
October 2014
- The 15th International Thalassemia Conference
Cairo, Egypt
May 2014
- The 9th International Conference of Egyptian Society of Hematology and Research (ESHR), Update in Hematology
Cairo, Egypt
October 2012
- The 29th annual conference of Faculty of Medicine, Assiut University
Assiut, Egypt
December 2012

Courses Attended

Faculty and Leadership Development Project (FLDP) Courses

- Communication Skills
- Ethics of Medical Research
- Managing Research Team
- Organizing Scientific Meetings
- Electronic Teaching
- Research Team Management
- Using New Technologies in Teaching
- How to Compete For a Research Fund
- Student Evaluation
- Strategic Planning
- Quality Standards in Teaching

Academic courses

- Teacher Preparation Course

Computer & Languages

ICDL	International computer driving license	2009
TOEFL	TOEFL Internet-Based Test	2009
	TOEFL Internet-Based Test	2014

GENERAL INTERESTS AND SKILLS

Cultural	Reading, traveling
Sporting	Tennis and Volleyball
Languages	Arabic, English, French.
