

CURRICULUM VITAE

PERSONAL & CONTACT DATA:

Name: Atyat Mohammed Hassan Sayed

Date of birth: 13/12/1981

Marital status: Married

Religion: Muslim

Occupation:

- Associate Professor at College of Applied Medical Science, Nursing Department, Prince Sattam Bin Abdulaziz University, Kingdom of Saudi Arabia.
- Associate Professor at Faculty of Nursing, Pediatric Nursing Department, Assiut University, Egypt.

Mobile: **00966558107424** (WhatsApp & Imo).

Address: El-Nwayma Wadi Alddwasir, Al Riyadh, Saudi Arabia

E-mail: atyat_hassan@yahoo.com (Skype)

Academic E-mail: atyathassan@aun.edu.eg, am.sayed@psau.edu.sa

PROFESSIONAL SUMMARY:

I am an Associate Professor in Nursing Science Department. I have multiple skills serving three dimensions; education, scientific research, and community health services. I used my skills and experience through modern and traditional approaches to help students achieve expected outcomes and upgrade the health care of patients by preparing a highly qualified nurse student with the most advanced, compassionate, and safest nursing management for patients in different care settings. Also, I'm achieving remarkable progress in scientific research to help patients and promote the nursing profession. Moreover, provide community services based on a scientific base.

2011-2015 Assistant lecturer of Pediatric and Premature Nursing,
Assiut University, Egypt.

2004-2011 Demonstrator of Pediatric and Premature Nursing,
Assiut University, Egypt.

TAUGHT COURSES:

In Prince Sattam Bin Abdulaziz University (Undergraduates):

- Teaching Adult & Geriatric Health Nursing Course (Clinical) for seventh-level students, 2022-2023.
- Teaching Pathophysiology Course (Theory) for seventh-level students, 2022-2023.
- Teaching Therapeutic Communication in Professional Nursing Practice Course (Theory) for tenth-level students, 2022-2023.
- Teaching Pediatric Health Nursing Course (Theory) for sixth-level students, 2020-2021 & 2021-2022.
- Teaching Pediatric Health Nursing Course (Clinical) for sixth-level students, 2020-2021 & 2021-2022.
- Management & Leadership in nursing Course (Clinical) for Eighth-level students, 2020-2021 & 2021-2022.
- Teaching Introduction to Clinical Skills in Patient Care– Theory Course (Theory) for fourth-level students, 2021-2022.
- Teaching English for Health sciences Course (Theory) for second-level students, 2021-2022.
- Teaching English for Health sciences Course (Clinical) for second-level students, 2021-2022.
- Teaching Therapeutic Communication in Professional Nursing Practice Course (Theory) for seventh-level students, 2021-2022.

- Distance learning through Blackboard and Zoom during the study suspension till now used 2020-2022.
- Teaching Pediatric Health Nursing Course (Theory) for sixth-level students, 2019-2020.
- Teaching Pediatric Health Nursing Course (Clinical) for sixth-level students, 2019-2020.
- Teaching Human Growth and Development Course for fifth-level students, 2019-2020.

In Assiut University (Undergraduates & Postgraduates):

- Teaching Pediatric Nursing Course (Theory) for third year students, 2015-2019.
- Teaching Introduction to Nursing Research Course (Theory) for third year students, 2015-2017.
- Teaching Theories and Modern Trends in Nursing Course (Theory) for fourth year students, 2017- 2019.
- Teaching Theories and Modern Trends in Nursing Course (Theory) for third year students, 2018- 2019.
- Teaching Pediatric Nursing Course (Theory & Practical) for Second Part Master degree Students, Faculty of Nursing, Assiut University, 2017-2018.
- Teaching Premature Nursing Course (Theory & Practical) for Second Part Master degree Students, Faculty of Nursing, Assiut University, 2017-2018.
- Teaching for 2nd year students Pediatric Nursing course, Technical Institute of Nursing, Assiut University, 2017-2018.
- Teaching for 3rd year students (childhood's department), Pediatric Nursing course, Faculty of Childhood Education, Assiut University, 2016-2017.
- Teaching for 2nd year students Pediatric Nursing course, Technical Institute of Nursing, Assiut University, 2018-2019.

- Teaching for 2nd year students Maternal and Child Health Nursing course, Technical Institute of Nursing, Al Azhar University, 2018-2019.
- Teaching in the program of preparing health assistants services with Misr Elkheer Foundation, 2014-2015.

Scientific Research:

- Impact of Tactile Stimulation on Anthropometric Measurements of Premature Infants in Assiut City. Assiut Scientific Nursing Journal. Vol. 2(4), **2014**.
- Impact of Tactile Stimulation on Neurobehavioral Development of Premature Infants in Assiut City. International Journal of Education & Practice. Vol. 6(8), **2015**.

- Acting as a Reviewer in "Journal of Advances Medical and Pharmaceutical Sciences" 2019.
- Acting as a Reviewer in "American Journal of Nursing Sciences" **2018-2019**.

COURSES and TRAINING PROGRAM:

In Prince Sattam Bin Abdulaziz University (2019-2022):

1. Attended in "Statistical Data Analysis Journey". 2022.
2. Attended in an electronic training course entitled "IGI Global Platform, Subject, and Publication Overview " Presented on the Saudi Digital Library Platform On 4/10/2021
3. Attended in an electronic training course entitled "Find the most relevant search information for the researcher's field on Springer Nature " Presented on the Saudi Digital Library Platform On 10/10/2021
4. Attended in an electronic training course entitled " SAGE Research Methods " Presented on the Saudi Digital Library Platform On 11/10/2021
5. *Participation in an electronic workshop entitled "Successful experiences and lessons learned in field training during crises" with the University Education Development Center at the University Vice Presidency for Educational and Academic Affairs. In Sattam University on 18/8/1442 H (31/3/2021 .(
6. Attended the training program "Investing generations of scientists and brilliant people" Held on Monday, November 22, 2021
7. Attended a training workshop titled " Women's Leadership in Research Groups (2) "Within an hour initiative with scientific research On Monday 25/10/2021
8. Attended a training workshop titled " Women's Leadership in Research Groups (1) "Within an hour initiative with scientific research On Monday 11/10/2021
9. Attended a training workshop titled " Effective Academic Counseling" for 4 hours On Monday 7/10/2021

10. Attended a training workshop titled “ Citing past literature in the scientific research: mechanisms and skills“
11. Within an hour initiative with scientific research, On Monday 4/10/2021
12. Participated in scientific webinar entitled: “Research review and defense of theses - an applied theoretical approach" Held via the online Platform - Zoom Application On 9 April, 2021, duration: 2 Hours
13. Participated in An electronic workshop entitled "Successful experiences and lessons learned in field training during crises for faculty members at Prince Sattam bin Abdulaziz University, on Wednesday, 18/D/1442 AH, corresponding to 3/21/2021
14. Participated in scientific webinar entitled: “The Culture of Scientific Research and its Ethics "Held via the online Platform - Zoom Application On 26 March, 2021. Duration: 2 Hours
15. Nature Research Academies Workshop "Successful Pre-submission Strategies". 2021
16. Nature Research Academies Workshop "Effective Post-submission Strategies". 2021
17. Nature Research Academies Workshop "Clinical Research Methodology". 2021
18. Nature Research Academies Workshop "Effective Academic Writing". 2021
19. Nature Research Academies Workshop "Journal Editor 1". 2021
20. Nature Research Academies Workshop "Journal Editor 2". 2021
21. Nature Research Academies Workshop "Logical Manuscript Structure". 2021
22. Online Webinar "Systemic Reviews: Not as Difficult as We Think". 2021
23. A training Workshop "QUALITATIVE RESEARCH" 2020

24. Successfully completing the training course "Coronavirus (COVID-19) for Nursing Professionals" introduced by World Health Organization, 2020.
25. **Successfully completing the training course** "Let's Break the Chain of COVID-19 Infection (Arabic)" introduced by The Mohammed Bin Rashid University of Medicine and Health Sciences, **2020**.
26. **Successfully completing the training course** "Coronavirus (COVID-19) for Nursing Professionals" introduced by World Health Organization, **2020**.
27. **Successfully completing the training course** "Infection Prevention and Control (IPC) for Novel Coronavirus (COVID-19)" introduced by intelycare, **2020**.
28. Preparation of the course file
29. How to prepare an electronic course.
30. Formulate and measure learning outcomes.
31. Program specification according to the developed national model.

In Assiut University:

- Faculty and Leadership Development Center (FLDC) - Assiut University.
 32. The skills of effective communication- Assiut University- 2005
 33. Research skills- Assiut University-2005.
 34. Teaching with technology- Assiut University- 2005
 35. New Trends in Teaching - Assiut University- 2007
 36. Skills of thinking (critical thinking) - Assiut University- 2007.
 37. Effective presentation- Assiut University-2008.
 38. Conference Organization- Assiut University-2011.
 39. Research Team Management- Assiut University-2011.
 40. Quality standards in teaching- Assiut University-2011.
 41. Credit Hour System - Assiut University-2012.
 42. International Publishing of Research- Assiut University-2012.

43. Time and Conference Management- Assiut University-2012.
44. How to Activate the E-Courses- Assiut University-2016.
45. Financial Aspects in University Environment- Assiut University-2016.
46. Legal Aspects in University Environment - Assiut University-2017.
47. Exams System & Students Evaluation - Assiut University-2017.
48. Successfully passed the "Test of English as a Foreign Language (TOEFL) Course" - Assiut University – 2006.
49. A Training Course on "Objective Structure Clinical Examination (OSCE) "- Assiut University- 2009.
50. Teacher Preparation Training Course- Assiut University- 2008.
51. Successfully passed the "Comprehensive Course for the Computer" - Assiut University – 2005.
52. Successfully completed the "level One" of English Language Center Program - Assiut University - 2005
53. Successfully passed the "Mis Control System" courses exams - Assiut University 2014.
54. Certificate of attendance of the course on "How to use and activate the data portal and sources of knowledge" that are available in the digital library through the Egyptian Knowledge Bank, 2017.
55. Publications of research in international journals, Assiut University 2018.
- 56.**E-learning (advanced), Assiut University- 2018.
57. Endnote workshop, Faculty of Nursing, Assiut University- 2018.
- 58.**Research gate workshop, Faculty of Nursing, Assiut University- 2018.

CERTIFICATIONS:

Conferences (Attendance and or participation):

- 2nd International Upper Egypt Nursing Conference. Faculty of nursing- Assiut University, 13-14, February, **2022**.
- The 1st Virtual 3rd International 6th Scientific Conference. Faculty of nursing- Sohag University, 27 July, **2021**.
- 3rd International scientific conference of nursing administration department, faculty of nursing "Quality and Innovation in Nursing" 18-19, February, **2019**.
- The 2nd Upper Egypt Congress of Clinical Nutrition (from infancy through adulthood), 3rd April, Assiut, Egypt, **2019**.
- The 4th Annual Conference of OB-GYN Department- Assiut Police Hospital. 16th-17th January, **2019**.
- The 4th International Conference for Nursing Faculty Port Said University. In Cooperation with the University of New Mexico in America and the Global Scientific Neutrosophic Association in Iraq. Titled "Sustainability in Excellence: The Future of Nursing". Egypt 18/10/**2018**. (**Participation by publishing a scientific paper**)
- The Cardio-Diabetes Secrets (CDS) Conference, 12-13 Dec, **2018**.
- The 1st Congress of Pediatric Surgery Unit- Assiut Faculty of Medicine in collaboration with the Egyptian Pediatric Surgical Association (EPSA), 26-27 Sept, **2018**.
- 2nd Annual conference of Assiut Society against Smoking, Tuberculosis and Chest Diseases "Basics of Pulmonary Medicine"- Assiut University- 13-15 November, **2018**.
- 2nd International conference of nursing administration department, faculty of nursing "Quality in Nursing Education and Scientific Research ", **2018**.

- The 15th monthly scientific meeting of faculty of medicine May 7th "Study Designs and Appropriate Choice of Statistical Significant Test", **2018**
- 1st International scientific conference of faculty of nursing:" Nursing Practices and Era Challenges"- Assiut University- 2017. **(Participation)**
- 1st International scientific conference of faculty of nursing, nursing administration department "Quality in Nursing", 2017
- 1st International scientific conference of Assiut Society against Smoking, Tuberculosis and Chest Diseases "Basics of Pulmonary Medicine"- Assiut University- 2017.
- Scientific day of adult nursing department in collaboration with community services and environmental affairs committee: "Diabetes and Healthy Eyes"- Assiut University-2016.
- 16th International annual scientific conference of department of tropical medicine gastroenterology- Assiut University- 2015.
- 1st Annual Scientific Meeting Updates in Pediatric Oncology by pediatric nursing department in collaboration with South Egypt Cancer Institute - Assiut University-2012. **(Participation)**
- Scientific Symposium "Art of Communication" - Assiut University-2012
- Training Seminar "A Little attention to Your Health"- Assiut University- 2013. **(Participation)**

Workshops, courses and seminars:

In Prince Sattam Bin Abdulaziz University:

Participation as a Trainer and an Organizer in:

- Providing training courses for internship students "**Training on the Barometric Exams of the Saudi Commission for Health Specialties**" regarding the questions of the Pediatric Health Nursing course through the virtual hall. Zoom for two days for five hours (Tuesday 5/5/2020 from 9 pm

to 12 am and Wednesday 6 / 5/2020 from 9-11 pm). Link: Dr. Atyat Mohammed Sayed is inviting you to a scheduled Zoom meeting. Topic: Training for the Saudi Commission for Health Specialties exams Time: May 5, 2020 09:00 PM - 12 am Riyadh, Join Zoom Meeting, <https://psau.zoom.us/j/93151352590>, Meeting ID: 931 5135 2590, Time: May 6, 2020 09:00 PM - 11 pm Riyadh, Join Zoom Meeting: <https://psau.zoom.us/j/98055793906>.

- Workshop: Study and excellence skills. 11/2/1441 H (Link: <https://np.psau.edu.sa/ar/news/2019/10/1571118937>).
- Workshop: Job Search Development Skills. 18/2/1441 H (Link: <https://np.psau.edu.sa/ar/news/2019/10/1571822223>).
- Workshop: Your guide to volunteering in Prince Sattam Bin Abdulaziz University. 3/3/1441 H (Link: <https://np.psau.edu.sa/ar/news/2019/11/1572853887>).
- Symposium: Passing a personal interview Skills. 13/3/1441 H (Link: <https://np.psau.edu.sa/ar/news/2019/11/1574921026>).
- Lecture: How to overcome the exam's anxiety. 16/3/1441 H) Link: <https://np.psau.edu.sa/ar/news/2019/11/1574921221>).
- Meeting: Instructions during the exams for students. 8/4/1441 H
- Training course: Effective communication skills and the art of dealing with others. 2/6/1441 H (Link: <https://np.psau.edu.sa/ar/news/2020/01/1580280487>).
- Training Program: Success skills. 24/6/1441 H (Link: <https://np.psau.edu.sa/ar/news/2020/02/1582178668>).
- Training workshop: Scientific research skills. 24/2/2020 (Link: <https://np.psau.edu.sa/ar/news/2020/02/1582616585>).

Participation as an Organizer in:

- Organizing a workshop entitled "Saudi Commission for Health Specialties" 3/3/1441 attended by prospective graduate students and female graduates - Job training.
- Organizing a training course entitled "Your Life after Graduation" 3/17/1441 attended by prospective graduates and female graduates - job training.
- Organizing a seminar entitled "Introducing the Tamheer Program" 3/29/1441, attended by all female students, their graduates and their graduates - job training.
- Organizing a training workshop entitled "Energies (National Labor Gateway)" 6/8/1441 attended by all students, their graduates and their graduates are expected - job training.
- Organizing a training course entitled "The Art of Time Management" 6/22/1441 attended by all students, their graduates and their graduates are expected - job training.
- Organizing a workshop entitled "Skills Marketing" 7/2/1441 attended by all female students and their expected graduates - job training.

Participation by attendance in:

- - Attending a workshop on "program description according to the developed model of the National Center for Academic Accreditation and Assessment 9/6/1441.
- Attending a training course under the title "Basics of Entrepreneurship" for members of graduate units in colleges 1/4/1441 corresponding to 11/28/2019.
- Attending a workshop entitled "Time Management" 3/3/1441
- Attending a training course under the title "Course File Preparation" at the College of Education, Female Section, Wadi El Dawasir.

- Attending a training course entitled "How to prepare an electronic course" at the College of Education, Female Section, Wadi El Dawasir.
- Attending a training course under the title "Formulation and Measurement of Learning Outcomes".
- Attending the discussion of scientific research (two research papers) submitted by the ninth-level female students of the Medical Laboratories Department for graduation projects 5/6/1441
- Attending a workshop on "the national portal for work energies"
- Attending a training workshop entitled "Voluntary Initiatives"
- Attending a training course "Managing Stress at Work" 6/23/1441
- Attending a workshop for faculty "Blackboard" organized by E-Learning Unit 15/3/2020
- Attending a training course entitled "Electronic tests in the Blackboard system" 3/17/2020 via the virtual hall
- Attending a training course entitled "Activating the tools of the electronic course" 10/3/2020 via the virtual hall
- Attending training courses on "Blackboard Learning Management System for faculty members" through the virtual hall 7/17/1441 -17/7/1441 from Monday to Thursday.
- Attending a training course for faculty members entitled "Electronic Assessment Tools" in the virtual hall 7/23/1441.
- Attending a training course for faculty members entitled "Lectures Recording and Editing" via the virtual hall 24/7/1441.
- Attending a training course for faculty members entitled "Discussion Forums and the Center for Estimates" in the virtual hall 7/27/1441.
- Attending a training course for faculty members entitled "Electronic tests" through the virtual hall 3/25/2020.
- Attending a training course for faculty members entitled "Question Banks" via the virtual hall 4/1/2020.
