WELCOME NOTE

Faculty of Pharmacy, Assiut University is honored to invite you to **the 14th International Pharmaceutical Sciences Conference**. Throughout this year's conference, we gather to explore sustainable solutions in pharmaceutical research. We discuss different topics at the intersection of innovation, environmental responsibility and multidisciplinary pharmaceutical research. We are looking forward to your significant participation in our conference within the renowned premises of Assiut University.

SCOPE

The main aim of the conference is to embrace collaboration of pharmaceutical researchers, academics and industry experts to exchange ideas and push the boundaries of eco-conscious pharmacy research. Additionally, the conference aims to inspire and encourage junior pharmaceutical researchers and undergraduate students. This will be accomplished via planetary lectures, oral as well as poster presentations. Together, we can make significant steps towards a greener and healthier future.
