

# The 3<sup>rd</sup> International Conference of Biological Sciences

*"Integrating Scientific Research and Application to Achieve Sustainability"*

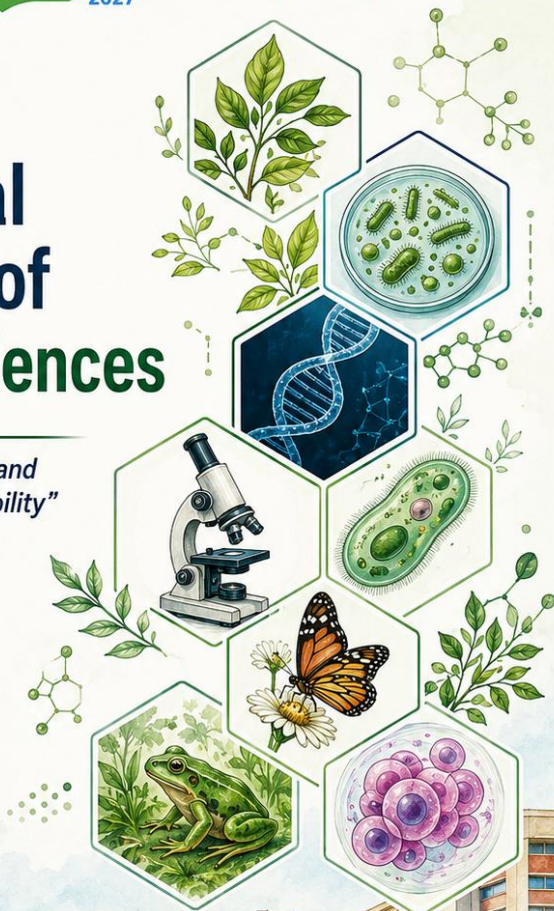

**22 – 23**  
**MARCH 2027**

Faculty of Science,  
Assiut University, Egypt

**REGISTER NOW**

## ORGANIZING COMMITTEE

### Under Auspices

**Prof. Dr. Ahmed Abd El-Mawla**

President of Assiut University

### Prof. Dr. Gamal Bader

Vice-President for Graduate Studies and  
Researches Affairs

### Conference Chairman

**Prof. Dr. Abo Bakr Mohamed El-Tayeb**

Dean of Faculty of Science,  
Assiut University

### Conference Secretary General

**Prof. Dr. Mohamed Hashem**

Vice Dean for Graduate Studies and  
Researches Affairs, Faculty of Science,  
Assiut University

### Conference Rapporteur

**Prof. Dr. Naeima Mohamed Hammam Yousef**

Head of Botany & Microbiology Department,  
Faculty of Science, Assiut University

### Prof. Dr. Mona Mohamed Atia Abdel-Ghani

Head of Zoology & Entomology Department,  
Faculty of Science, Assiut University

A group of Faculty Members from  
Botany & Microbiology and  
Zoology & Entomology Departments

Collaboration  
for Progress

Innovation  
in Research

Excellence in  
Science

Sustainability  
for Future

Knowledge  
for Impact

## ABOUT THE CONFERENCE

The conference aims to bring together scientists, researchers, academics and industry experts from around the world to exchange knowledge, present innovative research and discuss recent advances in biological sciences and their applications for achieving a sustainable future.

## CONFERENCE GOALS

Contribute to finding innovative solutions to environmental problems.

Promote integration between different biological disciplines.

Support applied scientific research and link it to sustainable development.

Review the latest technologies in molecular biology and stem cells.

Enhance cooperation between academic and industrial institutions.

## CONFERENCE TOPICS

1

**Biodiversity and Conservation of the Environment**

2

**Biotechnology and Molecular Biology**

3

**Environmental Applications of Biological Sciences**

4

**Bioenergy and Waste Management**

5

**Medical Biology and Stem Cells**

6

**Entomology and Forensic Biology**

7

**Artificial Intelligence and Modern Technologies in Biological Sciences**

## IMPORTANT DATES

**1 September 2026**

Start of conference registration

**1 March 2027**

Deadline for abstract submission

**1 April 2027**

Full manuscript submission

**22 - 23 March 2027**

Conference days

## CONFERENCE REGISTRATION FEES

| Category                                    | Fee     |
|---------------------------------------------|---------|
| Attendance only                             | 500 LE  |
| Attendance with poster or oral presentation | 700 LE  |
| Attendance with paper publication           | 1200 LE |
| Undergraduate attendance                    | 300 LE  |
| Online participation                        | 500 LE  |
| Arab & foreign participants                 | 250 \$  |
| Arab & foreign participants (online)        | 100 \$  |

**Accommodation fees not included**

## PUBLICATION OPPORTUNITY

Peer reviewed manuscripts will be published in a special issue of

**Assiut University Journal of Multidisciplinary Scientific Research (AUNJMSR)**

<http://aunj.journals.ekb.eg/>

The best posters and oral presentations will be awarded.
