## Work Experience

Chemistry Department, Faculty Of Science, Assiut University, Assiut, Egypt.

**Research and Teaching Assistant**, Mar 2018 till now.

- Teaching practical classes of organic chemistry and directing students during laboratory work.
- Evaluating laboratory exercises and assignments and recording grades.
- Participating in developing syllabus for practical classes of organic chemistry.
- Working on synthesizing of some organic compounds for studying their biological activity.

## Education

- **B.Sc.**, Major: Chemistry, Minor: Chemistry, Jul 2016.

Faculty of Science, Assiut University, Assiut, Egypt.

CGPA: 3.74 out of 4.00 'with honors'.

## Internships

Elshabrawishy Perfumes and Cosmetics Factories, Giza, Egypt.

**Quality Control Inspector**, Jun 2014 to Sep 2014.

- Made tests and analyses during the manufacturing process, maintained detailed results.
- Recorded defects and wrote down reports for the quality manager.
- Monitored the operators to ensure they meet the approved system.

## Training

**Trainee**, Jun 2015.

Assiut Oil Refining Company, Assiut, Egypt.

## Conferences

- The 12<sup>th</sup> meeting of the science colleges association of Arab universities, Egypt., Apr 2016.

## Skills

- **Technical Skills:** FTIR Spectroscopy, <sup>1</sup>H NMR Spectroscopy, Microwave in organic synthesis and Gas Chromatography.
- **Computer Skills:** Chem Draw, Mestronova, Gaussian View, Origin and Microsoft office.
- **Language Skills:** Arabic 'mother tongue', English: 'proficient'.

## Awards

- **Academic Merit Award**, 2013 to 2016.  
Faculty of Science, Assiut University, Assiut, Egypt.
- **3<sup>th</sup> place in chemistry Olympiad**, federation of Arab universities, Apr 2016.  
Faculty of Science, Assiut University, Assiut, Egypt.

## Additional Information

- Attended military service, Jan 2017 to Mar 2018.
