

الكتب الواردة إلى مكتبة الجيولوجيا من معرض الكتب بالقاهرة 2013

No	AUTHOR	TITLE	year	.Co
1	w.philips	An elementary introduction to the knowledge of mineralogy	2012	1
2	Francis	Geochemistry-second edition	2009	1
3	D.Fettes	Metamorphic rocks /classification and glossary of terms	2007	1
4	knut	Petroleum geoscience from sedimentary environments to rock	2010	1
5	Kurt	Petrogenesis of metamorphic rocks	2011	1
6	george	volcanos	2011	1
7	donel	Structural geology an introduction to geometrical technique 4th edition	2009	1
8	Shahab fazal	GIS basics	2008	1
9	Felix	The geologic time scale	2012	2
10	Cornelis	Mineral science	2007	1
11	.H.G	Sedimentary environments	2012	1
12	Charlis	Introduction to mineralal exploration 2nd edition	2012	1
13	Richard	Structural geology 2nd edition	2011	1
14	Mourice	Sedimentary petrology 3rd edition	2012	1
15	Rabindra	Practical approach to petrology	2011	2

16	parbin	Text book of engineering and general geology	2012	1
17	G.Shanmugam	New perspectives on deep water sandstone	2012	1
18	Eiichifukuyama	Fault-zone properties and earth quake rupture dynamic	2009	1
19	Paul henderson	The Cambridge handbook of earth science data	2009	1
20	alan	Essential of oceanography 9th edition	2011	1
21	Cornelis	Earth materials	2013	1
22	Dexter Perkins	Mineralogy 3rd edition	2011	1
23	Agust	Rock fractures in geological processes	2011	1
24	H.D.Holland	Reading from treatise on geochemistry	2010	1
25	Peter korbel	The complete encyclopedia of minerals	1999	1
26	stephen	Exploring geology 3rd edition	2013	1
27	San Boggs	Principles of sedimentology and stratigraphy	2011	2
28	John D.Winter	An introduction to igneous and metamorphic petrology	2011	2
29	Robert W	Elemental geosystems seventh edition	2013	1
30	Reed Wicander	Historical geology seventh edition	2013	2
31	محمد عبد السميع	مقدمة في الاستكشاف الجيولوجي والجيوكيميائي للرواسب المعدنية	2010	1
32	محمد ابن احمد قزاز	جيوكيمياء الرواسب المعدنية	2006	1

33	محمد رشاد حسن	مبادئ الجيولوجيا العامة	2011	1
34	احمد شفيق الخطيب	معجم مصطلحات البترول والصناعة النفطية	2008	1
