

كلية الطب البيطري

جامعة أسيوط

Relevant Programme: Bachelor of veterinary medical sciences

Department offers the course:

Scholar year:

Course Report

A- Basic Information

Title: clinical pharmacology	Code:	Level: ٣
Theoretical: ٢	Tutorial/Pract: ٢	Total Credit hours: ٣

B-Statistical Information

The system used for examining the Examinations Committee	Section council
External review system for exams	Available
The number of teaching staff	٣

C-Professional Information

The number of students enrolled in the course	٣٧								
The number of students who took the exam	٣٧								
Exam result	Successful √				Fail				
The percentage of successful students according to the grades obtained	A	-A	+B	B	+C	C	+D	D	D-
	١٤	٧	٤	٣		١		٢	

1- Statistics:

2- Teaching the course::

Subjects taught:			
- % of what has been taught of the basic content of the course			
The extent of commitment of the teaching staff to	60>	60 -84 >	85> √

the content of the course			
Extent of exam coverage of course topics	60>	60 -84 >	85> √
Teaching and learning methods:	Lectures:√	Practical training:√	Case Study:√
	Seasonal activities	Quarterly (remember):	business
Method of Assessment	Written exam:√		Oral:√
	Quarterly business:		Practical:√

3- Teaching capabilities:

Scientific references:	Available
The means involved:	Available
Supplies and raw materials:	Available
Administrative and organizational restrictions:	No
The result of students' assessment of the course (%):	%٩٠
Suggestions for improving the course:	Practical course
Observations of external auditors (if any):	
The development proposals implemented in the previous year:	New Practical lessons
What are the proposals that have not been implemented (what are the reasons):	

4- The course development plan for the next year:

Areas of development	Description of development	Timing of development	Responsible for implementation
Practical	New courses	٢٠٢٣/٩	Dr. Mahmoud Sayed Dr. Ebtsam saber

Course Coordinator (Course Professor): Dr. Mohammed Mostafa Elbadr

Head of Department:Dr. Madiha Hosny Darwish

Date: ٢٠٢٣/٣/٢١

Program Director and College Dean:Dr. Madiha Hosny Darwish
